Finding Money, Luck, and Good Fortune Using Astrology Joni Patry,2023-06 Astrology is the oldest science in the world Most would exclaim it is not a science but let s face it it is a study of cycles involving mathematics in which numbers and vibration are the crux of the Universe Throughout history ignorance has kept us from the truth and those who tried to present the truth were imprisoned and even killed Galileo was condemned for saying the earth was round and it revolved around the Sun instead of the Sun revolving around us This law of the Universe is so simple but at the same time so hard to change in our everyday life The law of attraction or law of cause and effect simply means what we think about and say we will attract to us [How to Make Money Using Astrology](#) Joni Patry,2010-01-01 Use the power of Eastern Astrology to unleash your prosperity potential This Book enables everyone to use the power of cycles pertaining to the planets for personal financial gain In a search to alleviate the massive problems humanity has concerning financial lack Joni focused on the issues of money and astrology Through self analysis she found the many deep rooted emotional issues we use to imprison ourselves It is actually our relationship with money that reveals our own self worth We innately believe money is bad and poverty buys us a ticket to heaven All these deep seated beliefs are instilled in us at a very early age But by understanding that money is energy we can shift our mindset from poverty to prosperity Cycles of the Planets have influenced the cycles of our social climate and financial trends These cycles are the natural trends that create balance With knowledge of the future trends you can make your plans accordingly with the advantage of this powerful edge You can use astrology to understand these cycles and use them for YOUR best timing to achieve your goals All the information gleaned from analyzing wealth through the planetary cycles billionaire s charts the stock market and lottery winners relates to YOU and how YOU can use astrology to create your best timing to achieve wealth and prosperity **Secrets of Prediction** Joni Patry,2015-04-19 In this book you will experience the life of astrologer Joni Patry as she grew up in a conservative realm of non believers of astrology in Dallas Texas She was first introduced to the world of astrology through the profound prediction of Jeane Dixon as she forebodes President Kennedy not to come to Dallas Texas on November 21 1963 The very next day the unthinkable occurred and it has been a part of Joni s awareness with her ties to the circumstances living in Dallas Texas This brought her to the discovery of astrology The intricate and complicated world of astrological prediction has been Joni s passion She has explored the depths of western astrology leading to her discovery of the incredible predictive value of Indian Vedic astrology She takes the values of both systems and devises a way to blend both systems to understand the cycles to forecast the future The first part of the book discusses her techniques for world predictions including her prediction of Japan s catastrophic earthquake before it occurred March 11 2011 There is an explanation of the grand cycles siphoning down to the smaller cycles for the specific timing of these events There are cycles within cycles of the planetary patterns in the heavens It ranges from the grand cycle of Precession of the Equinoxes to the cycles of the outer planets cycle of Saturn and Jupiter Rahu and

Ketu eclipses retrograde planets and the cycles of the faster planets Mars Venus and Mercury But the most specific timer that predicts down to the day is seen through the Moon The second part of the book breaks down the incredible predictive power of Vedic astrology using the nakshatras and how they determine the cycles of a person s life This complicated system of prediction used in Vedic astrology is broken down to a step by step system that can be understood by even a novice To bring home the predictive value and accuracy of this system Joni explores the well documented lives of the Kennedy family Beginning with Joseph Kennedy Sr through the trials and tribulations of the tragic deaths of his children to the traumas of Jacqueline Kennedy Onassis John Kennedy Jr and Caroline Kennedy Through the scandals and affairs you will come to glean the insights of a soul through the prediction of astrology From beginning to end of this compilation of essential tools for prediction you will come to appreciate the power and insights of astrology With this surfaces the sense of destiny and free will Coming back full circle to November 1963 arises the age old question concerning fate and free will Could this be avoided with information ahead of time What if President Kennedy listened to Jeane Dixon This has haunted Dallas astrologer Joni Patry her entire life as she delved into understanding the cyclic process of humankind and the Universe through the profound study of astrology
