**Truth and Repair** Judith Lewis Herman, 2023-03-14 From one of America's most influential psychiatrists an extraordinary and profound New York Times manifesto for reimagining justice for survivors of sexual trauma The MeToo movement brought worldwide attention to sexual violence but while the media focused on the fates of a few notorious predators who were put on trial we heard far less about the outcomes of those trials for the survivors of their abuse The conventional retributive process fails to serve most survivors it was never designed for them Renowned trauma expert Judith L. Herman argues that the first step toward a better form of justice is simply to ask survivors what would make things as right as possible for them In Truth and Repair she commits the radical act of listening to survivors Recounting their stories she offers an alternative vision of justice as healing for survivors and their communities Deeply researched and compassionately told Truth and Repair envisions a new path to justice for all

**Trauma and Recovery** Judith Lewis Herman M.D., 2015-11-13. This is a Persian translation of the world-renowned book *Trauma and Recovery*. When *Trauma and Recovery* was first published in 1992, it was hailed as a groundbreaking work. In the intervening years, Herman's volume has changed the way we think about and treat traumatic events and trauma victims. In a new afterword, Herman chronicles the incredible response the book has elicited and explains how the issues surrounding the topic have shifted within the clinical community and the culture at large. *Trauma and Recovery* brings a new level of understanding to a set of problems usually considered individually. Herman draws on her own cutting-edge research in domestic violence, as well as on the vast literature of combat veterans and victims of political terror, to show the parallels between private terrors such as rape and public traumas such as terrorism. The book puts individual experience in a broader political frame, arguing that psychological trauma can be understood only in a social context. Meticulously documented and frequently using the victims' own words, as well as those from classic literary works and prison diaries, *Trauma and Recovery* is a powerful work that will continue to profoundly impact our thinking.

**Hatred of Sex** Oliver Davis, Tim Dean, 2022-04. *Hatred of Sex* utilizes Jacques Rancière's thesis in *Hatred of Democracy* to help explain the aversion to sex that in numerous forms is observed in the culture around us.

Original *Re-embodiment Pastoral Theology* Johann Choi, 2024-05-29. With the dominance of psychotherapeutic theories and methods in the field of pastoral theology, the typical pastoral encounter has been understood to be a private conference in which a pastor addresses a sufferer's thoughts and emotions. What results is a kind of dualism that is contrary to a historically Christian affirmation of and concern for the body. The phenomenon of moral injury further problematizes this model of pastoral care, in part due to a greater awareness that trauma is imprinted as much in the body as in the mind. *Re-embodiment Pastoral Theology* uses the problem of moral injury in veterans to propose a pastoral theology that recognizes ritual as the means by which the Christian community addresses the

body in pastoral care In advancing this new approach to ritual care the author draws from the fields of psychology ritual studies liturgical studies and historical theology as well as the experiences of veterans throughout history This book endeavors to re think the Christian approach to moral injury and re embody the field of pastoral theology Theology in Avatar: The Last Airbender Anthony G.
