

EXD SOUNDER BEACON

This EXD Sounder Beacon range has been approved for use in potentially explosive atmospheres and very harsh environmental conditions.

The unit incorporates a four stage alarm option with only three tones to choose from which includes four tones that can be recorded or customised by the installer.

All tones can be pre-set during installation. In addition, the unit also incorporates a visual warning signal with a choice of two types of light source - either xenon (rated with multiple flash rates and power ratings) or an LED array with three status type indication options.

The unit also have the ability to be fitted with a telephone interface function and can be used as the second ring output indicator for telephones when installed in very noisy environments.

The design allows for termination inside the enclosure. The unit can be bracket mounted only.
