Startup Nation:

Start-up Nation Dan Senor, Saul Singer, 2025-05-01 This New York Times bestseller explores what the world can learn from Israel's meteoric economic success With a Foreword by Shimon Peres Start Up Nation addresses the trillion dollar question How is it that Israel a country of seven one million only sixty years old surrounded by enemies in a constant state of war since its founding with no natural resources produces more start up companies than large peaceful and stable nations like Japan China India Korea Canada and the UK With the savvy of foreign policy insiders Dan Senor and Saul Singer examine the lessons of the country's adversity driven culture which flattens hierarchy and elevates informality all backed up by government policies focused on innovation In a world where economies as diverse as Ireland Singapore and Dubai have tried to re create the Israel effect there are entrepreneurial lessons well worth noting As America reboots its own economy and can do spirit there's never been a better time to look at this remarkable and resilient nation for some impressive surprising clues What's the business plan Chutzpuh Lots of it The book weaves together colorful stories of Israeli technological triumphs and it is marvelous Washington Post A compelling case study delivered with insightful analysis an accomplishment not simply for exposing the roots of Israel's success but showing what the Israeli case might teach the rest of the world USA Today Bracing has huge relevance thinking about America's renewal New Republic **Startup Nation** Jeff Sloan, Rich Sloan, 2007-12-18 Want to take control of your life Want to trade in that listless job and create the company you've always dreamed of Millions of new businesses are started each year from online diamond dealers to part time pet projects to the latest franchises StartupNation is all about putting you in the driver's seat to start your own business Jeff and Rich Sloan are lifelong entrepreneurs who have created dozens of successful businesses and have guided and advised thousands of others through their nationally syndicated radio talk show on their Web site and in their weekly online newsletter In StartupNation the Sloan Brothers examines every aspect of smart entrepreneurship and help you create the business you've always dreamed of You'll learn about the dos and don'ts and the highs and lows of building your own business through the Sloan's in the trenches insights and the inspirational tales of over thirty other gutsy entrepreneurs Among the stories you'll read about The Sloans own patented invention the Battery Buddy which generated more than 1 million in royalties Lavetta Willis who built Dada Footwear into a fashion brand that now produces sneakers worn by NBA basketball stars Tom Nardone who created the booming ShopInPrivate.com where people can order items they're embarrassed to buy at the local drugstore StartupNation presents a master course in identifying a good idea building the right kind of business around it and avoiding the pitfalls that can derail you If you've ever dreamed of pursuing your own business StartupNation will be your most powerful resource *Dark Sides of the Startup Nation* Sibylle Heilbrunn, 2022-11-29 Israeli national neoliberalism has promoted innovation policies leading to an ostensible paradox At the center is a startup nation with a vibrant and successful high tech entrepreneurial ecosystem accumulating resources and

enabling constant growth At the geographical and social periphery there has emerged a parallel society with often marginalized groups not able to keep up In one of the most unequal countries with a high rate of poverty entrepreneurial heroes are celebrated at the center promoting a myth that all could be self made successes At the periphery entrepreneurs are struggling to survive often pushed into precarious working and living conditions Applying critical theory discourse this book illustrates how neoliberalism and entrepreneurship are intertwined and how the startup nation has evolved in Israel It explores how national neoliberal state policies have targeted technological innovation as a tool to obtain a competitive advantage in the international arena rather than aiming at increasing economic achievements and well being for all It will demonstrate that the Israeli entrepreneurship scene exemplifies the existence of parallel entrepreneurial societal spaces analyze the positionality of entrepreneurs belonging to a variety of groups that characterize Israeli society and uncover structural disadvantages and related levels of precarity as well as existing links between entrepreneurial advantages and disadvantages mobility and varying degrees of social marginality *Dark Sides of the Startup Nation* sheds light onto the problematic and sometimes contradictory myth that entrepreneurship is meritocratic and that neoliberal capitalism provides everyone with equal opportunities to succeed The book will be of interest to researchers academics policy makers and students in the fields of entrepreneurship and small business management responsibility and business ethics and technology and innovation
