The answer by Peterson an expert on the Arabian peninsula who has already written fine books on Oman and North Yemen is that the Emirs of the Arab Gulf have sought to be accountable to their citizens through a flexible mixture of traditional assemblies like the diwan and modern instruments like parliaments and an independent press Peterson illustrates his argument with detailed case studies of political institutions in Kuwait and Bahrain and with looser comparisons of the United Arab Emirates Qatar Oman and Saudi Arabia Lucid writing and fascinating anecdotes make the text accessible to undergraduates interested in the Gulf modernization or democratization in the Third World Choice Kime's International Law Directory European Bank for Reconstruction & Development,1996-11 **Women's Rights in the Middle East and North Africa** Sameena Nazir,Leigh Tomppert,2005-07-28 Women s rights in the middle east and North Africa edited by Sameena Nazir and Leigh Tomppert 2005 The Geographical Journal ,1919 Includes the Proceedings of the Royal geographical society formerly pub separately **Countries of the World** Karen Ellicott,2007 Covering nearly 200 countries this yearbook is filled with reports from the U S Department of State Entries typically cover the geography history government and political conditions economy and state relations with the United States for each Includes information on passport applications visa requirements regulations and duties international health and disease and national holidays
