

Slaughterhouse

Clemens Wendtner

Slaughterhouse:

Slaughterhouse Dominic A. Pacyga,2015-11-10 From the minute it opened on Christmas Day in 1865 it was Chicago's must see tourist attraction drawing more than half a million visitors each year Families visiting dignitaries even school groups all made trips to the South Side to tour the Union Stock Yard There they got a firsthand look at the city's industrial prowess as they witnessed cattle hogs and sheep disassembled with breathtaking efficiency At their height the kill floors employed 50 000 workers and processed six hundred animals an hour an astonishing spectacle of industrialized death Slaughterhouse tells the story of the Union Stock Yard chronicling the rise and fall of an industrial district that for better or worse served as the public face of Chicago for decades Dominic A Pacyga is a guide like no other he grew up in the shadow of the stockyards spent summers in their hog house and cattle yards and maintains a long standing connection with the working class neighborhoods around them Pacyga takes readers through the packinghouses as only an insider can covering the rough and toxic life inside the plants and their lasting effects on the world outside He shows how the yards shaped the surrounding neighborhoods and controlled the livelihoods of thousands of families He looks at the Union Stock Yard's political and economic power and its sometimes volatile role in the city's race and labor relations And he traces its decades of mechanized innovations which introduced millions of consumers across the country to an industrialized food system Once the pride and signature stench of a city the neighborhood is now home to Chicago's most successful green agriculture companies Slaughterhouse is the engrossing story of the creation and transformation of one of the most important and deadliest square miles in American history

Slaughterhouse Gail A. Eisnitz,2009-09-25 Slaughterhouse is the first book of its kind to explore the impact that unprecedented changes in the meatpacking industry over the last twenty five years particularly industry consolidation increased line speeds and deregulation have had on workers animals and consumers It is also the first time ever that workers have spoken publicly about what's really taking place behind the closed doors of America's slaughterhouses In this new paperback edition author Gail A Eisnitz brings the story up to date since the book's original publication She describes the ongoing efforts by the Humane Farming Association to improve conditions in the meatpacking industry media exposés that have prompted reforms resulting in multimillion dollar appropriations by Congress to try to enforce federal inspection laws and a favorable decision by the Supreme Court to block construction of what was slated to be one of the largest hog factory farms in the country Nonetheless Eisnitz makes it clear that abuses continue and much work still needs to be done

The Slaughterhouse Cases Ronald M. Labbé,Jonathan Lurie,2003 The rough and tumble world of nineteenth century New Orleans was a sanitation night mare with the city's many slaughterhouses dumping animal remains into neighboring backwaters When Louisiana finally authorized a monopoly slaughterhouse to bring about sanitation reform many butchers felt disenfranchised from their livelihoods Framing their case as an infringement of fundamental rights protected by the new amendment they flooded the lower courts with nearly 300 suits The surviving cases that reached the U

S Supreme Court pitted the butchers right to labor against the state s police power to regulate public health The result was a controversial and long debated decision that for the first time addressed the meaning the import of the Fourteenth Amendment

Meat, Modernity, and the Rise of the Slaughterhouse Paula Young Lee, 2008 Over the course of the nineteenth century factory slaughterhouses replaced the hand slaughter of livestock by individual butchers who often performed this task in back rooms letting blood run through streets A wholly modern invention the centralized municipal slaughterhouse was a political response to the public s increasing lack of tolerance for dirty butchering practices corresponding to changing norms of social hygiene and fear of meat borne disease The slaughterhouse in Europe and the Americas rationalized animal slaughter according to capitalist imperatives What is lost and what is gained when meat becomes a commodity What do the sites of animal slaughter reveal about our relationship to animals and nature Essays by the best international scholars come together in this cutting edge interdisciplinary volume to examine the cultural significance of the slaughterhouse and its impact on modernity Contributors include Dorothee Brantz Kyri Claflin Jared Day Roger Horowitz Lindgren Johnson Ian MacLachlan Christopher Otter Dominic Pacyga Richard Perren Jeffrey Pilcher and Sydney Watts

Slaughterhouse-Five Kurt Vonnegut, 1991-11-03 Kurt Vonnegut s masterpiece *Slaughterhouse Five* is a desperate painfully honest attempt to confront the monstrous crimes of the twentieth century Time Selected by the Modern Library as one of the 100 best novels of all time One of The Atlantic s Great American Novels of the Past 100 Years *Slaughterhouse Five* an American classic is one of the world s great antiwar books Centering on the infamous World War II firebombing of Dresden the novel is the result of what Kurt Vonnegut described as a twenty three year struggle to write a book about what he had witnessed as an American prisoner of war It combines historical fiction science fiction autobiography and satire in an account of the life of Billy Pilgrim a barber s son turned draftee turned optometrist turned alien abductee As Vonnegut had Billy experiences the destruction of Dresden as a POW Unlike Vonnegut he experiences time travel or coming unstuck in time An instant bestseller *Slaughterhouse Five* made Kurt Vonnegut a cult hero in American literature a reputation that only strengthened over time despite his being banned and censored by some libraries and schools for content and language But it was precisely those elements of Vonnegut s writing the political edginess the genre bending inventiveness the frank violence the transgressive wit that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it Authors as wide ranging as Norman Mailer John Irving Michael Crichton Tim O Brien Margaret Atwood Elizabeth Strout David Sedaris Jennifer Egan and J K Rowling have all found inspiration in Vonnegut s words Jonathan Safran Foer has described Vonnegut as the kind of writer who made people young people especially want to write George Saunders has declared Vonnegut to be the great urgent passionate American writer of our century who offers us a model of the kind of compassionate thinking that might yet save us from ourselves More than fifty years after its initial publication at the height of the Vietnam War Vonnegut s portrayal of political disillusionment

PTSD and postwar anxiety feels as relevant darkly humorous and profoundly affecting as ever an enduring beacon through our own era s uncertainties

The Slaughterhouse Cases Ronald M. Labbé,Jonathan Lurie,2005 While ruling that Louisiana had legitimately exercised its powers the Court s majority went much further to declare that the amendment and its due process and equal protection clauses applied exclusively to the plight of former slaves and thus were unavailable to any other American
