**Storybridge to Second Language Literacy** Irma-Kaarina Ghosn,2013-09-13 This book advocates using authentic children's literature to teach English to young learners. It presents theoretical foundations, research evidence, and classroom vignettes supporting story-based instruction. It's valuable for TESOL students, educators, and teacher development courses offering practical insights and applications.

Network Management in Cloud and Edge Computing Yuchao Zhang, Ke Xu,2020-03-06 Traditional cloud computing and the emerging edge computing have greatly promoted the development of Internet applications. But what are the key issues in these two trends and what are the differences between them? This book systematically introduces several key procedures in both cloud computing and edge computing scenarios, with each chapter providing a detailed description of novel design. In addition, the book also discusses a series of important findings from industry collaborations which greatly enhance our understanding of the real system of industry. This book is not only a valuable reference resource for researchers but also provides large-scale deployment cases for real systems in industry. In order to gain the most benefit from this book, readers should have some of the basic knowledge of computer networks.

**Essential Journalism** Jonathan Baker,2021-06-29 This book is a practical guide to all aspects of modern journalism for anyone seeking to study for the National Council for the Training of Journalists (NCTJ) Diploma in Journalism and become a qualified journalist in the UK. Written in collaboration with the NCTJ, *Essential Journalism* outlines everything you need to know about the journalism industry today, from its ethical framework to its practice across print, television, radio, online, and social media. It looks at the core principles and the skills that are required of journalists across all platforms, helping students develop an overall understanding of the business and examining the application and adaptation of traditional best practice to the demands of the digital age. This is a unique one-stop shop for anyone who wants to understand the nature and purpose of journalism and how it is changing and evolving in today's digital newsrooms. This book is a core resource for journalism trainees and undergraduates as well as for seasoned practitioners and lecturers.
