intelligence machine translation by the service DeepL.com. A subsequent human revision was done primarily in terms of content so that the book will read stylistically differently from a conventional translation. Springer Nature works continuously to further the development of tools for the production of books and on the related technologies to support the authors.

The Digital Journey of Banking and Insurance, Volume III Volker Liermann, Claus Stegmann, 2021-10-27. This book is the third one of three volumes. It focuses on data and the actions around data like storage and processing. The angle shifts over the volumes from a business-driven approach in Disruption and DNA to a strong technical focus in Data Storage Processing and Analysis, leaving Digitalization and Machine Learning Applications with the business and technical aspects in between. In the last volume of the series Data Storage Processing and Analysis, the shifts in the way we deal with data are addressed.
