Disunity In Christ:

Disunity in Christ Christena Cleveland, 2013-10-04 Despite Jesus prayer that all Christians be one divisions have been epidemic in the body of Christ Though we may think we know why this happens Christena Cleveland says we probably don't Learn the hidden reasons behind conflict and divisions the unseen dynamics at work that tend to separate us from others Here are the tools we need to build bridges

Disunity in Christ Christena Cleveland, 2013-11-22 Despite Jesus prayer that all Christians be one divisions have been epidemic in the body of Christ from the beginning to the present We cluster in theological groups gender groups age groups ethnic groups educational and economic groups We criticize freely those who disagree with us don't look like us don't act like us and don't even like what we like Though we may think we know why this happens Christena Cleveland says we probably don't In this eye opening book learn the hidden reasons behind conflict and divisions Learn Why I think all my friends are unique but those in other groups are all the same Why little differences often become big sources of conflict Why categorizing others is often automatic and helpful but can also have sinister side effects Why we are so often victims of groupthink and how we can avoid it Why women think men are judging them more negatively than men actually are and vice versa Why choices of language can actually affect unity With a personal touch and the trained eye of a social psychologist Cleveland brings to bear the latest studies and research on the unseen dynamics at work that tend to separate us from others Learn why Christians who have a heart for unity have such a hard time actually uniting The author provides real insight for ministry leaders who have attempted to build bridges across boundaries Here are the tools we need to understand how we can overcome the hidden forces that divide us

Dealing with Disunity in Christ's Church Thomas F. Leake, 2020-10

Divided We Fall Luder G. Whitlock, 2017 Throughout the centuries Christians have longed to be united with one another supporting each other and working in harmony But our reality is very different and we need only to read the New Testament to realize that disunity has been with us from the start What can we do to foster unity and deeper community in a world where so many relationships are fractured and fractious Luder Whitlock Jr explores God's desire for unity in the church overviews the history of global Christianity with an eye on its schisms and agreements and points us toward the necessity of God honoring fellowship laying out steps we can take to increase trust and develop understanding especially within the church As governments grow increasingly unsupportive of Christianity it is even more important for us to listen to each other and work together for the common good despite our many differences

The Message of 1 Corinthians David Prior, 2020-11-24 When the apostle Paul heard about the problems facing the church in Corinth he wrote them an intense and pointed letter In this revised BST volume David Prior shows the relevance of 1 Corinthians for our times with clear exposition of each passage information about the letter's historical background and key principles and applications for today

Bonhoeffer and Climate Change Dianne Rayson, 2021-05-25 Where is the voice of theology in the public discourse around anthropogenic climate change How do we understand the human relationship to

Earth and the ecology of which we are a part How can we account for the human attempt to dominate nature and the devastation we have caused to our own home Dianne Rayson addresses these questions She uses the creation theology of Dietrich Bonhoeffer to examine what it means to be human in the post Holocene age Employing a range of Bonhoeffer s texts Rayson posits that Bonhoeffer s Christological theology and this worldly ethical orientation provide the tools for an Earthly Christianity She responds to Bonhoeffer s question who actually is Jesus Christ for us today and proposes a Bonhoefferian ecoethic

Is the Bible at Fault? Jerry Pattengale,2018-09-18 This provocative new book provides the truth and perspective needed to remind us of how high the stakes can be when we get the Bible wrong Throughout history and around the world people have made bizarre or dangerous claims in the name of God They continue to do so today citing biblical passages out of context or inappropriately Doing so has led to a wide range of disasters from executing other Christians for theological differences to wild activities in the name of evangelism and more Is the Bible at Fault examines these historical errors problematic biblical interpretations and tragedies to reveal how and why the Bible has been misused to justify and rationalize profound acts of persecution destruction violence human rights abuse and downright strange behavior Is the Bible at Fault explores twelve different cases of abhorrent behavior in the name of Scripture These terrible destructive movements have led people astray brought irreparable spiritual and emotional harm and even cost countless people their lives The members of the Ku Klux Klan had no doubt that their actions were justified in the eyes of God The murderous armies of the Fourth Crusade rationalized slaying other Christians in the name of the church Detroit s Prophet Jones locked his followers in all night revival meetings and often wouldn t let them out until they made financial contributions to the cause the cause being his lavish lifestyle Some Christian missionaries not only condoned the wholesale slaughter of Australia s native Aborigines people they participated in it with a clean conscience These are real historical people and events and we ll explore every one of them and more in these pages

Christian Theology Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Free Will Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why
