Disunity in Christ Christena Cleveland,2013-11-22 Despite Jesus prayer that all Christians be one divisions have been epidemic in the body of Christ from the beginning to the present We cluster in theological groups gender groups age groups ethnic groups educational and economic groups We criticize freely those who disagree with us don't look like us don't act like us and don't even like what we like Though we may think we know why this happens Christena Cleveland says we probably don't In this eye opening book learn the hidden reasons behind conflict and divisions Learn Why I think all my friends are unique but those in other groups are all the same Why little differences often become big sources of conflict Why categorizing others is often automatic and helpful but can also have sinister side effects Why we are so often victims of groupthink and how we can avoid it Why women think men are judging them more negatively than men actually are and vice versa Why choices of language can actually affect unity With a personal touch and the trained eye of a social psychologist Cleveland brings to bear the latest studies and research on the unseen dynamics at work that tend to separate us from others Learn why Christians who have a heart for unity have such a hard time actually uniting The author provides real insight for ministry leaders who have attempted to build bridges across boundaries Here are the tools we need to understand how we can overcome the hidden forces that divide us

Dealing with Disunity in Christ's Church Thomas F. Leake,2020-10

Divided We Fall Luder G. Whitlock,2017 Throughout the centuries Christians have longed to be united with one another supporting each other and working in harmony But our reality is very different and we need only to read the New Testament to realize that disunity has been with us from the start What can we do to foster unity and deeper community in a world where so many relationships are fractured and fractious Luder Whitlock Jr explores God's desire for unity in the church overviews the history of global Christianity with an eye on its schisms and agreements and points us toward the necessity of God honoring fellowship laying out steps we can take to increase trust and develop understanding especially within the church As governments grow increasingly unsupportive of Christianity it is even more important for us to listen to each other and work together for the common good despite our many differences

Bonhoeffer and Climate Change Dianne Rayson,2021-05-25 Where is the voice of theology in the public discourse around anthropogenic climate change How do we understand the human relationship to

Earth and the ecology of which we are a part How can we account for the human attempt to dominate nature and the devastation we have caused to our own home Dianne Rayson addresses these questions She uses the creation theology of Dietrich Bonhoeffer to examine what it means to be human in the post Holocene age Employing a range of Bonhoeffer s texts Rayson posits that Bonhoeffer s Christological theology and this worldly ethical orientation provide the tools for an Earthly Christianity She responds to Bonhoeffer s question who actually is Jesus Christ for us today and proposes a Bonhoefferian ecoethic
