Disha Dr. Ddharaniikota Ssuyodhan,2025-06-26 This book is a story of women who feel like objects or of women fighting for their rights It will give you many perspectives but it boils down to one what s right and what s wrong A team of police forces wants to catch a serial killer murdering the citizens Inspector Rithika Murthy is the Thalaivi the badass queen of justice and empathy But her new case makes her question the judicial system of her country A system that she worships and goes by religiously a system that she believes puts law and order in place But when that system is broken by a criminal who goes around the country murdering non convicted criminals like a demon she starts questioning the books she has learned over the years to protect the righteousness in society Is it okay to take the judicial system into our hands when justice is delayed and denied Inspector Rithika Murthy along with her sub inspector Muthuswamy and her supportive parents go on this journey of finding the murderer as they unravel the answers of judicial righteousness Whose side do you think Rithika will take The corrupt police and CBI teams or the criminals working for the right thing in the wrong manner **(Free**

Sharanya Dinesh,2018-12-18 Dear all Disha Prabha is the connecting link of this series and has a special significance too Thus I commence this series with the etymology of the name When we the lazy intellectual better half that I am married to and the earnest me were searching for an ideal name for my counseling practice we tried various permutations and combinations for a word or phrase that meant to throw light on or to guide or to give direction because as a counselor that was my ideal job description The other thought which we were consciously coming back to was a name that would have the family members in it the four of us so that one name would suffice as our house sign board and my practice title Thus Disha Prabha came into being Disha means direction or way and Praha means illumination or radiance This was just perfect counselling is all about lighting the way or lending radiance to direction More importantly Disha is a combination of Di Dinesh the boss of the family and Sha Sharanya the author Prabha is put together with Pra Pranav our son and Bha Bhargavi our daughter So in unanimous consensus we chose this name Most of my writings are experiences or moments shared with these three people It is but obvious that they make an appearance everywhere in this book and all the other books that will follow This book is the first of the Disha Prabha series And I give my thanks to Sahaj Marg the meditation path I follow and teach My Disha received Prabha from this path and I owe everything to this path *Budgeting for the Poor* Mark
