Advanced Microeconomic Theory Jehle Solutions Ch 5:

New Insights into the Theory of Giffen Goods Wim Heijman, Pierre Mouche, 2011-10-12 One might expect that after their identification in the 19th century all aspects of Giffen goods would have been studied by now This appears not to be the case This book contains the latest insights into the theory of Giffen goods In the past surprisingly few goods could be categorized as Giffen This may be because of a lack of understanding of the character of these goods Therefore the theories explained in this book may also produce a solid basis for further empirical research in the field Experts throughout the world have contributed to this book which predominantly pursues a mathematically rigorous approach It may be used by researchers in the field of fundamental economics and in graduate level courses in advanced microeconomics

Structural Econometric Modeling in Industrial Organization and Quantitative Marketing Ali Hortaçsu, Joonhwi Joo, 2023-10-24 A concise and rigorous introduction to widely used approaches in structural econometric modeling Structural econometric modeling specifies the structure of an economic model and estimates the model's parameters from real world data Structural econometric modeling enables better economic theory based predictions and policy counterfactuals This book offers a primer on recent developments in these modeling techniques which are used widely in empirical industrial organization quantitative marketing and related fields It covers such topics as discrete choice modeling demand modes estimation of the firm entry models with strategic interactions consumer search and theory empirics of auctions The book makes highly technical material accessible to graduate students describing key insights succinctly but without sacrificing rigor Concise overview of the most widely used structural econometric models Rigorous and systematic treatment of the topics emphasizing key insights Coverage of demand estimation estimation of static and dynamic game theoretic models consumer search and auctions Focus on econometric models while providing concise reviews of relevant theoretical models
