

The background of the entire cover is a dark blue/black space filled with a network diagram. It consists of numerous small, brightly colored circles (nodes) in shades of cyan, blue, and white, connected by thin, light-colored lines (edges) that crisscross the space, creating a complex web-like structure. The nodes vary in size and brightness, with some appearing as larger, glowing white or cyan spheres. The overall effect is that of a digital network or data flow visualization.
