The Postmodern Humanism of Philip K. Dick Jason P. Vest, 2009-02-17 From his 1952 short story Roog to the novels The Divine Invasion and VALIS few authors have had as great of an impact in the latter half of the 20th century as Philip K Dick In The Postmodern Humanism of Philip K Dick Jason Vest explores the work of this prolific subversive and mordantly funny science fiction writer He examines how Dick adapted the conventions of science fiction and postmodernism to reflect humanist concerns about the difficulties of maintaining identity agency and autonomy in the latter half of the 20th century In addition to an extensive analysis of the novel Now Wait for Last Year Vest makes intellectually provocative comparisons between Dick and the works of Franz Kafka Jorge Luis Borges and Italo Calvino He offers a detailed examination of Dick s literary relationship to all three authors illuminating similarities between Dick and Kafka that have not previously been discussed as well as similarities between Dick and Borges that scholars frequently note but fail to explore in detail Like Kafka Borges and Calvino Dick employs fantastic unreal and visionary fiction to reflect the disruptions dislocations and depressing realities of twentieth century life By comparing him to these other writers Vest demonstrates that Dick s fiction is a fascinating barometer of postmodern American life even as it participates in an international tradition of visionary literature

resulting book will be of interest to all those studying social and cultural theory sociology media and communication and cultural studies

Confessions Of A Crap Artist Philip K. Dick,2012-10-23 A funny horribly accurate portrait of a life in California in the Fifties Rolling Stone Jack Isidore doesn't see the world like most people According to his brother in law Charlie he's a crap artist obsessed with his own bizarre theories and ideas which he fanatically records in his many notebooks He is so grossly unequipped for real life that his sister and brother in law feel compelled to rescue him from it But while Fay and Charlie Hume put on a happy face for the world they prove to be just as sealed off from reality in thrall to obsessions that are slightly more acceptable than Jack's but a great deal uglier Their constant fighting and betrayals threaten their own marriage and the relationships of everyone around them When they bring Jack into their home he finds himself in the middle of a maelstrom of suburban angst from which he might not be able to escape Confessions of a Crap Artist is one of Philip K Dick's most accomplished novels and the only non science fiction novel published in his lifetime

Time Out Of Joint Philip K. Dick,2012-10-23 From the Hugo Award winning author of The Man in the High Castle Philip K Dick's twisty and paranoid Time Out of Joint is marvelous terrifying fun especially if you've ever suspected that the world is an unreal construct built solely to keep you from knowing who you really are Which it is of course Rolling Stone The time is out of joint O cursed spite That ever I was born to set it right William Shakespeare's Hamlet Act I Scene V Ragle Gumm has a unique job every day he wins a newspaper contest And when he isn't consulting his charts and tables he enjoys his life in a small town in 1959 At least that's what he thinks But then strange things start happening He finds a phone book where all the numbers have been disconnected and a magazine article about a famous starlet he's never heard of named Marilyn Monroe Plus everyday objects are beginning to disappear and are replaced by strips of paper with words written on them like bowl of flowers and soft drink stand When Ragle skips town to try to find the cause of these bizarre occurrences his discovery could make him question everything he has ever known

Dick, 2012-05-15 I have never seen its theme handled with greater technical dexterity or given more psychological meaning Fantasy and Science Fiction When a routine tour of a particle accelerator goes awry Jack Hamilton and the rest of his tour group find themselves in a world ruled by Old Testament morality where the smallest infraction can bring about a plague of locusts Escape from that world is not the end though as they plunge into a Communist dystopia and a world where everything is an enemy Philip K Dick was aggressively individualistic and no worldview is safe from his acerbic and hilarious take downs Eye in the Sky blends the thrills and the jokes to craft a startling morality lesson hidden inside a comedy
