Congratulations you're a young adult! You're about to enter a new phase in your life, one full of opportunities and challenges. As you navigate this exciting new world of independence, it's important to develop the skills you need to succeed, from time management and problem solving to decision making and communication. Learning life skills is essential for every young adult, but many of these skills are not taught in school. They are learned outside the classroom through experience. You won't sit an exam on how to rent your first apartment or save smart, but these are essential life skills. This book is your practical guide. It covers everything you need to know before leaving home, from cooking a simple meal to landing your first job interview. So whether you're going off to college, getting your first job, or looking for ways to learn new skills, this book will serve as a valuable guide. So what are you waiting for? It's time to learn the skills you need to survive and thrive in the real world.

*Smart but Scattered--and Stalled* Richard Guare, Colin Guare, Peg Dawson, 2019-01-15 Whether you're a young adult who is stalled on the journey to independence or a concerned parent still sharing the family nest, this compassionate book is for you. Providing a fresh perspective on the causes of failure to launch, the expert authors present a 10-step plan that helps grown kids and parents work together to achieve liftoff. Learn why brain-based executive skills such as planning, organization, and time management are so important to success and what you can do to strengthen them. You get downloadable practical tools for figuring out what areas to target, building skills, identifying a desired career path, and making a customized action plan. Vivid stories of other families navigating the same challenges, including father and son. Richard and Colin Guare reveal what kind of parental support is productive and when to let go.
