Grable,Swarn Chatterjee,2022-03-07 The De Gruyter Handbook of Personal Finance provides a robust review of the core topics comprising personal finance including the primary models approaches and methodologies being used to study particular topics that comprise the field of personal finance today The

contributors include many of the world's leading personal finance researchers, financial service professionals, thought leaders and leading contemporary figures conducting research in this area whose work has shaped and continues to affect the way that personal finance is conceptualized and practiced. The first section of the handbook provides a broad introduction to the discipline of personal finance. The following two sections are organized around the core elements of personal finance research and practice: saving, investing, asset management and financial security. The fourth section introduces future research practice and policy directions. The handbook concludes with a discussion on an educational and research agenda for the future. This handbook will be a core reference work for researchers, financial service practitioners, educators and policymakers and an excellent supplementary source of readings for those teaching undergraduate and graduate level courses in personal finance, financial planning, consumer studies and household finance.

Personal Finance Workbook for Beginners Dylin Redling, Allison Tom, 2022-09-27 Helps people navigate the financial implications of various life stages in an easy and practical way. Michelle Hung, author of *Money for Adulthood*. Personal finances are an essential element of life but many of us avoid dealing with them because we don't feel well informed. Overcome any doubts you may have about your financial literacy with this financial workbook for beginners. You will learn key financial concepts, start to engage intentionally with your finances and create a plan to approach your financial future with confidence. Regardless of your age or bank balance, now is the time to improve your financial health. Focus on the personal. Examine your relationship to money, look at how your values and behaviors influence your finances, then apply your priorities to set realistic and attainable goals. Tools for action: Use the quizzes, checklists, budget templates and financial exercises to assess the current state of your finances and kick off your financial planning for the future. Complex concepts demystified. Get comfortable with personal finance through straightforward advice and real-life examples. You will get practical information about dealing with debt, buying a home, retirement planning and investing in your future. Prioritize your financial well-being with the *Personal Finance Workbook for Beginners*. The knowledge provided within these pages will empower you to take control of your money as you journey toward financial peace and freedom. Jason Brown, author of *Margin Matters*. This resource is comprehensive, balanced and does a fantastic job of breaking commonly held financial myths that often hold people back from achieving their goals. Tim Ulbrich, Pharm.D., co-founder and CEO of Your Financial Pharmacist.
