Study Guide for Introduction to Maternity and Pediatric Nursing - E-Book Gloria Leifer, 2015-01-29 Leifer's Study Guide for Introduction to Maternity and Pediatric Nursing is a rich resource that enhances your comprehension and application of material from every chapter of the textbook. With a variety of learning activities, critical thinking exercises, case studies, and review questions, this study guide reinforces your mastery of the essential maternity and pediatric nursing concepts and skills you need to pass the NCLEX PN Examination and succeed in your nursing career. NCLEX exam style multiple choice review questions at the end of each chapter test basic chapter knowledge as well as ask for appropriate nursing actions, what the nurse should expect in terms of medical care of the patient, and what complications the patient is at risk of developing. Case Studies and Applying Knowledge activities provide additional opportunities to apply learned information to clinical care. Thinking Critically activities require you to apply what you've learned in the textbook to new situations and draw conclusions based on that knowledge. Learning activities include matching, labeling, and completion exercises to help you learn basic concepts of maternity and pediatric nursing. Crossword puzzles in selected chapters are a nice way to change up the format when testing comprehension of terms and concepts. Answer key is located on the student's Evolve website. Several Thinking Critically sections and case studies with critical thinking questions have been added. Alternate item format questions are included in the review questions for the NCLEX Examination.

Study Guide for Wong's Essentials of Pediatric Nursing - E-Book Marilyn J. Hockenberry, Cheryl C. Rodgers, David Wilson, 2021-03-26 Updated to correspond to the bestselling textbook, the Study Guide for Wong's Essentials of Pediatric Nursing 11th Edition features Next Generation NCLEX style case studies and questions, key terms, and critical thinking exercises to help you learn difficult concepts. With practical activities and answers for review questions at the back of the guide, it enhances your comprehension and helps you to apply your knowledge to real world scenarios. Key term mastery exercises include matching and fill in the blank questions to give students the opportunity to test their ability to define all key terms highlighted in the corresponding textbook chapter. Concept and content review exercises include matching, fill in the blank, true/false, short answer, and multiple choice to help students test their understanding upon completion of reading the chapter. Critical thinking activities include case-based exercises that require students to apply the concepts found in the chapters to solve problems, make decisions concerning care management, and provide responses to patient questions and concerns. Perforated pages offer flexibility and ease of use. Answers for review questions and learning activities are provided at the end of the book. **NEW** Next Generation NCLEX style case studies and questions. **UPDATED** Extensively updated content and revised organization matches the format and newly added information housed in the 11th edition textbook to provide a seamless comprehensive review of essential pediatric nursing concepts and skills. **NEW** Expanded coverage of pediatric cancer corresponds to a new chapter on pediatric cancer that's featured in the main text.
