

White Paper Creation Processes

Easy Steps to Create Effective White Papers for Your
Businesses

Preparation

As one of the most important steps in your white paper creation process, preparation stage is when you clearly identify target readers and white paper objectives.

- Your target readers (who will read your white paper? what do they get after reading your white paper?)
- Your white paper objectives (what do you want to get from this white paper? what action do you want your readers to take?), the list can go on and on.

Prepare flying to your
targets
