Writing With Style John Trimble:

Writing with Style John R. Trimble, 1975 *How to Write a BA Thesis, Second Edition* Charles Lipson, 2018-12-05 How to Write a BA Thesis is the only book that directly addresses the needs of undergraduate students writing a major paper This book offers step by step advice on how to move from early ideas to finished paper It covers choosing a topic selecting an advisor writing a proposal conducting research developing an argument writing and editing the thesis and making through a defense Lipson also acknowledges the challenges that arise when tackling such a project and he offers advice for breaking through writer s block and juggling school life demands This is a must read for anyone writing a BA thesis or for anyone who advises these students Uncommon Law of Learned Writing 2.0 Chinua Asuzu, 2023-09-10 As lawyers we must not in hot pursuit of common law outrun common sense The dread of that eventuality prompted this book Uncommon Law of Learned Writing 2 0 promotes common sense in legal language Plain language which is commonsensical broadens access to legal documents thus democratizing the law If democracy is government of the people by the people and for the people law is the language in which government interacts with the people it s the language of democracy The people whose government speaks through law must understand what is said No democratic society should brook legalese a dense verbose dialect known only to lawyers What then should society do to redress the lawyer induced obscurity A Shakespearean character had an alarming proposal The first thing we do let s kill all the lawyers Apparently that proposal was not enthusiastically endorsed which explains why we re still here A milder remedy enrolling lawyers in language classes has been mooted which explains why this book is in your hands Uncommon Law of Learned Writing 2 0 motivates lawyers to prefer plain language to the legalese and verbosity that have besmirched legal writing for centuries This book is as sweeping and authoritative a treatment of its subject as you can find anywhere Garner on Language and Writing Bryan A. Garner, 2009 The essays in this volume represent the author s views not those of the American Bar Association Title page verso The Battles of Texas Nate Kreuter, Mark Garrett Longaker, 2025-01-07 The 1980s were a consequential decade for universities The marketization of higher education the adjunctification of labor and culture wars over curriculum transformed the landscape in a short period of time The Battles of Texas traces the lived consequences of this upheaval by focusing on one influential institution the writing program at the University of Texas at Austin Drawing from university records newspaper archives and present day interviews Nate Kreuter and Mark Garrett Longaker provide an on the ground perspective of the radical creation of UT Austin s writing program and the subsequent events that made national headlines the mass firing of lecturers in 1985 the national debate over multicultural content in the first year curriculum and the divorce of the writing program from the English Department in 1992 Despite these pressures however the authors also reveal how writing program administrators at UT Austin exerted their own agency to resist economic and political forces in service of their students and adjunct lecturers By highlighting the parallels between the 1980s and current labor and political pressures in higher education The Battles of

Texas offers a strategic perspective for academics and administrators today Combining a narrative institutional history with a public digital archive searchable and arranged in exhibits and in chronological annals The Battles of Texas provides academics with the resources they need to survive in times of rapid transition *Link/age* Joan Tornow,1997 Joan Tornow studies a group of students writing online for an entire semester and weaves their experiences into a discussion about where literacy is going and how theory can help us move in harmony with our newly evolving sensibilities Accessible and persuasive Link Age achieves the feel of the networked classroom even as it integrates that experience with what writing teachers are learning from postmodernism the new physics Web literacy and popular culture **National Union Catalog** ,1978
