**Armrestling** Ernie Jeffrey, 1978-06-01      True Making of a Champion Victor S. Torres, 2024-02-28

What is the true making of a champion What comes to mind in describing a winner in a society that highly values professional sports athletic competition and a world that is in dire need of true role models Would it be holding a coveted Super Bowl or World Series trophy Would it be embracing a Most Valuable Player or a Cy Young Award Would it be winning a Teacher of the Year award How about a Volunteer of the Year Award Our society has all kinds of ideas of what constitutes a true champion Professional athletes are revered for their athletic abilities Businesspeople are esteemed for their extensive knowledge of products Financial planners are respected for their knowledge of what life insurance has to offer Stockbrokers are respected for their ability to help customers reap profits through stocks and bonds by knowing when to buy and sell in an unpredictable stock market These people are considered successful by societal standards and are champions in their own right Who are some of these champions we admire who have reached the pinnacle of success How about Bill Gates Warren Buffet or Rupert Murdoch How about super star professional athletes who are now successful businessmen such as Magic Johnson Michael Jordan Roger Staubach John Elway or Nolan Ryan Perhaps you know other champions who have not quite reached this stature but are successful in their professional fields They may have achieved success in real estate business investments or network marketing You may very well know them and be in awe of their accomplishments and their ability to make wise choices Are these truly champions we should revere What is it about them that you are attracted to Is it their ability to acquire wealth their good looks their reputations fame or possessions that captures your attention These people made many sacrifices to get to where they are today and understandably so They were bold risk takers and were not afraid to stand alone and follow their dreams when others criticized their innovative ideas What is the true making of a champion Is it the underdog who overcomes a life of poverty and becomes college educated gains distinction in his profession and gives back to his community Is it a victim of bullying who survives the blows he was dealt and goes on to inspire others who had similar experiences Is it a victim of abuse who finds the courage to leave an unhealthy relationship and discovers that her self worth is really valuable Or is it someone who dedicates himself or herself to ministry so he or she can reach victims of sex trafficking abuse neglect homelessness unemployment or broken relationships Or how about a woman raised in the projects who becomes a business executive and builds a community center for underprivileged youth as an alternative to gang affiliation In this book I will take you on a path that will explore what is most meaningful in life You are valuable and precious in Heaven s eyes and you have little time to waste because you don t know how much time you have left on this earth to follow the career or ministry path that you are destined to follow We will look at principles that will help you explore what true success is all about while using pertinent illustrations to encourage you to become the champion that you are destined to become A champion s heart belongs to anyone who is willing to wrestle against forces that dare to keep you from reaching

your full potential You are destined for greatness my friend and I encourage you now to read on so you can find out what helps people overcome misfortune with a proper mindset Open your heart and mind so you can be molded into the champion that longs to be discovered My prayer is that you will build strength and character through adversity through The True Making of a Champion **Armed for Battle and Destined for Glory!** Victor S.  American writers of our time Sam Lipsyte Gathering pieces written during the past three decades Indigo ranges widely in  
 subject matter and tone opening with Cleve Dean which takes Padgett Powell to Sweden for the World Armwrestling  
 Federation Championships through to its closing title piece which charts Powell s lifelong fascination with the endangered  
 indigo snake a thinking snake and his obsession with seeing one in the wild Some things in between include an  
 autobiographical piece about growing up in the segregated and newly integrated South and tributes to writers Powell has  
 known among them Donald Barthelme who changed the aesthetic of short fiction in America for the second half of the  
 twentieth century and Peter Taylor who briefly lived in Gainesville Florida where Powell taught for thirty five years There are  
 also homages to other admired writers Flannery O Connor the goddesshead Denis Johnson with his hard honest comedy and  
 William Trevor whose Collected Stories provides the most literary bang for the buck in the English world A throughline in  
 many of the pieces is the American South the college teacher who introduced Powell to Faulkner the city of New Orleans  
 which can render the improbable possible and the seductions of gumbo sometimes cooked with squirrel meat Also here is an  
 elegy for Spode Powell s beloved pit bull I had a dog not afraid it gave me great cheer and blustery vicarious happiness In  
 addressing the craft of fiction Powell ventures that writing is controlled whimsy His idiosyncratic playfulness brings this  
 collection to vivid life while his boundless curiosity and respect for the truth keep it on course As Pete Dexter writes in his  
 foreword to Indigo He is still the best even if not the best known writer of his generation **Book Publishers Directory**
