Pearson Prentice Hall World History Student Workbook:

Ellis and Esler's World History (Pearson/Prentice Hall 2013) Student Workbook David Tamm, 2015-07-04 5 Steps Barron's and the others are great resources for reviewing at the end of the year but Tamm's Textbook Tools accompany kids all year long They are filled with assignments that follow the regular book throughout the year all 34 chapters They can also be used as reviews Teachers can copy vocab lists and chapter activities at will and they are perfect if there is a substitute When publishers started putting the majority of their content online it opened a niche for traditional paper assignments But it doesn't matter whether the textbook is written in ink or electrons students still need to write and keep a notebook for themselves Portfolios still matter This series fills that void Easily collectible it may also be used as a student consumable Save hundreds of hours of planning time Facebook message or email hudsonfla@gmail.com if you want bulk pricing for a class set
