**Terry C. Jones**

## **Primer Myth Retelling Novel:**

*Reading the African Novel* Simon Gikandi, 1987 Simon Gikandi provides critical analysis on the African novel *The World in Words* Daniel Joseph Majchrowicz, 2023-06-15 Based on over a decade of original archival research this book shows how Urdu travel writing gave voice to a global imagination that reflected the ambition and aspiration of Indians and Pakistanis as they negotiated their place in the changing world of the nineteenth and twentieth centuries In this interdisciplinary study author Daniel Majchrowicz traces the social and literary history of the Urdu travelogue from 1840 to 1990 in six chronological chapters Each chapter asks how travel writers used the genre to give meaning to the shifting social and political realities of their colonial and postcolonial worlds The book particularly highlights the role of women writers in the production of a global imagination in Urdu with an emphasis on travel writing on Asia and Africa C.S. Lewis and Christian Postmodernism Kyoko Yuasa, 2016-04-19 Employing a postmodernist literary approach this book identifies C S Lewis both as an antimodernist and as a Christian postmodernist who tells the story of the gospel to twentieth and twenty first century readers Lewis is popularly known as an able Christian apologetic writer talented in explaining Christian beliefs in simple logical terms But his fictional works feature expressions that erect ambiguous borders between nonfiction and fiction an approach equivalent to those typical in postmodernist literature Whereas postmodernist literature is full of many small micronarratives that deconstruct the Great Story Lewis s fictional world is the reverse of this in his world multiple and small stories are chosen but they also ultimately express the Story that transcends human understanding Lewis s approach reflects both his opposition to modernist philosophy which embraces solidified interpretation and his criticism of modernized Christianity Lewis s fictional works focus on the history of interpretation and deconstructing interpretations of the previous age seek a new model for interpretation Both C S Lewis and postmodern writers force us to choose between alternative interpretations *Medievalist Comics and the American Century* Chris Bishop, 2016-08-25 The comic book has become an essential icon of the American Century an era defined by optimism in the face of change and by recognition of the intrinsic value of democracy and modernization For many the Middle Ages stand as an antithesis to these ideals and yet medievalist comics have emerged and endured even thrived alongside their superhero counterparts Chris Bishop presents a reception history of medievalist comics setting them against a greater backdrop of modern American history From its genesis in the 1930s to the present Bishop surveys the medievalist comic its stories characters settings and themes drawn from the European Middle Ages Hal Foster s Prince Valiant emerged from an America at odds with monarchy but still in love with King Arthur Green Arrow remains the continuation of a long fascination with Robin Hood that has become as central to the American identity as it was to the British The Mighty Thor reflects the legacy of Germanic migration into the United States The rugged individualism of Conan the Barbarian owes more to the western cowboy than it does to the continental knight errant In the narrative of Red Sonja we can trace a parallel history of feminism Bishop regards these comics as not merely

happence but each success Prince Valiant and The Mighty Thor or failure Beowulf Dragon Slayer as a result and an indicator of certain American preoccupations amid a larger cultural context Intrinsically modernist paragons of pop culture ephemera American comics have ironically continued to engage with the European Middle Ages Bishop illuminates some of the ways in which we use an imagined past to navigate the present and plots some possible futures as we valiantly shape a new century *Publishers Weekly*,1985 **The Publishers Weekly**,1983 *Forthcoming Books* Rose Army,1997

**The World Book Encyclopedia**,1987 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students **Resources in Education**,1988 Small Press Record of Books in Print Len Fulton,1989 New York Times Saturday Review of Books and Art,1970 **Handbook of Latin American Studies**,1980 Contains records describing books book chapters articles and conference papers published in the field of Latin American studies Coverage includes relevant books as well as over 800 social science and 550 humanities journals and volumes of conference proceedings Most records include abstracts with evaluations The Rough Guide to New Zealand Laura Harper,Paul Whitfield,Tony Mudd,Catherine Le Nevez,2012-01-01 The new Rough Guide to New Zealandis the definitive guide to the world s adventure capital Now in full colour throughout it contains dozens of tempting colour photos illustrating the country s iconic landmarks and its stupendously diverse scenery Detailed accounts of every attraction along with crystal clear maps and plans will show you the very best New Zealand has to offer from white sand beaches and vast kauri trees in the north to the hairline fiords and penguin colonies in the south With expert guidance you won t put a foot wrong when experiencing Maori culture or simply striking out on multi day hikes At every point this guide steers you to little known sights such as secluded hot pools or Wellington s best caf s Insider tips planning itineraries and author picks give you the inside scoop on the best accommodation across every price range how to track down Marlborough s tastiest Sauvignon blancs and where the most delectable Maori hangi can be found Make the most of your time with The Rough Guide to New Zealand
