Gangs and Organized Crime George W. Knox, Gregg Etter, Carter F. Smith, 2018-07-04 In *Gangs and Organized Crime* George W. Knox, Gregg W. Etter, and Carter F. Smith offer an informed and carefully investigated examination of gangs and organized crime groups covering street gangs, prison gangs, outlaw motorcycle gangs, and organized crime groups from every continent. The authors have spent decades investigating gangs as well as researching their history and activities, and this dual professional/academic perspective informs their analysis of gangs and crime groups. They take a multidisciplinary approach that combines criminal justice, public policy, and administration law, organizational behavior, sociology, psychology, and urban planning perspectives to provide insight into the actions and interactions of a variety of groups and their members. This textbook is ideal for criminal justice and sociology courses on gangs as well as related course topics like gang behavior, gang crime, and the inner city, organized crime families, and transnational criminal groups. *Gangs and Organized Crime* is also an excellent addition to the professional's reference library or primer for the general reader. Butta Joey "Butta" Mazza, 2023-02-22 This book is a memoir of my first fifteen years in the Wingmen Motorcycle Club. From my hang-around time to becoming the national president, it is an account of my good times and bad times in the club. My most memorable road trips and relationships with brothers and civilians along the way. I hope you enjoy it as much as I did living it. *Good Bikes, Good Friends, Good Times, and Bad Women*

Patrick Murphy, 2012-08-29 The early years and creation of the Wingmen Motorcycle Club [Gangs and the Military](#)

Carter F. Smith, 2019-09-20 Over the past several decades, there has been a continuous and growing focus on street gangs, outlaw motorcycle gangs, and domestic extremist groups. Many of these groups have members with military training and some actively recruit from current and former military veterans and retirees. That military experience adds to the dangerousness of veteran gang members as well as those groups they associate with. Communities everywhere are experiencing the damaging impact of gang criminal behavior. By observing gang activity from the Revolutionary War to today, Smith examines the presence of military-trained, often veteran gang members in the communities. He looks at the turning points in gang investigations in the military and also looks at the laws and policies designed to specifically counter the criminal activity. The threats of gang activity pose on a community. Grounded in current knowledge and research, *Gangs and the Military* successfully addresses the growing presence of criminal gang members in the United States. As well as reflecting on how the authorities that counter and combat them are doing so on a national and global level.

Real Bikers Of North America Edward Winterhalder, 2025-02-23 In *Real Bikers Of North America: Men Who Rode With An Outlaw Motorcycle Club*, author Edward Winterhalder captures a realistic snapshot of the outlaw biker lifestyle to preserve the culture accurately for generations to come. For nearly a decade, he conducted in-depth interviews of former and active members of outlaw motorcycle clubs, and in this resulting anthology of mini biographies, you'll explore the life stories of real outlaw bikers who

never back down and never back up they are men of honor and respect and their word is worth more than gold Although the outlaw biker from the sixties seventies and eighties wouldn't recognize the outlaw biker of today Winterhalder's intent in writing this book was to convey a simple message your perception of the lifestyle from a historic perspective is inaccurate and there's no such thing as a stereotypical outlaw biker There are common denominators but each man's ride on his journey through life is unique Intended for the general public and those in the academic community that find the outlaw biker aspects of anthropology criminology sociology psychology ethnography deviant behavior criminal justice pop culture and humanities interesting this is an extremely unique opportunity to learn about a secretive sub culture that most people find terrifying and abhorrent **Aces & Wingmen** Danny Morris,1975 Theta News Theta Kappa Nu Fraternity,1926
