#### For your reference page:

- Every source you have an in-text citation for should also be listed on the reference page.
- If there is more than one author, do not change the order in which the authors' names are listed in the source.
- Put the references in alphabetical order using the last name of the first author listed or by the organization name if the organization is the author.
- Use a hanging indent so that author's name is further left than the rest of the citation.
-  In MS Word click the line and spacing icon then choose hanging indent

#### For your whole document: from the Line and Paragraph spacing icon

- Set the alignment to "Left" not justified.
- Select double spacing
- Set the spacing Before and After a paragraph to 0 pt.

Dissertations, Ninth Edition](#) Kate L. Turabian, 2018-04-27 When Kate L Turabian first put her famous guidelines to paper she  
could hardly have imagined the world in which today s students would be conducting research Yet while the ways in which  
we research and compose papers may have changed the fundamentals remain the same writers need to have a strong  
research question construct an evidence based argument cite their sources and structure their work in a logical way A  
Manual for Writers of Research Papers Theses and Dissertations also known as Turabian remains one of the most popular  
books for writers because of its timeless focus on achieving these goals This new edition filters decades of expertise into  
modern standards While previous editions incorporated digital forms of research and writing this edition goes even further to  
build information literacy recognizing that most students will be doing their work largely or entirely online and on screens  
Chapters include updated advice on finding evaluating and citing a wide range of digital sources and also recognize the  
evolving use of software for citation management graphics and paper format and submission The ninth edition is fully aligned  
with the recently released Chicago Manual of Style 17th edition as well as with the latest edition of The Craft of Research  
Teachers and users of the previous editions will recognize the familiar three part structure Part 1 covers every step of the  
research and writing process including drafting and revising Part 2 offers a comprehensive guide to Chicago s two methods  
of source citation notes bibliography and author date Part 3 gets into matters of editorial style and the correct way to present  
quotations and visual material A Manual for Writers also covers an issue familiar to writers of all levels how to conquer the  
fear of tackling a major writing project Through eight decades and millions of copies A Manual for Writers has helped  
generations shape their ideas into compelling research papers This new edition will continue to be the gold standard for  
college and graduate students in virtually all academic disciplines Bestselling trusted and time tested advice for writing  
research papers The best interpretation of Chicago style for higher education students and researchers Definitive clear and  
easy to read with plenty of examples Shows how to compose a strong research question construct an evidence based
