## **Oracle Database 12c Administration Workshop:**

**Beginning Oracle Database 12c Administration** Ignatius Fernandez, 2015-07-20 Beginning Oracle Database 12c Administration is your entry point into a successful and satisfying career as an Oracle Database Administrator. The chapters of this book are logically organized into four parts closely tracking the way your database administration career will naturally evolve. Part 1 Database Concepts gives necessary background in relational database theory and Oracle Database concepts. Part 2 Database Implementation teaches how to implement an Oracle database correctly. Part 3 Database Support exposes you to the daily routine of a database administrator and Part 4 Database Tuning introduces the fine art of performance tuning. Beginning Oracle Database 12c Administration provides information that you won't find in other books on Oracle Database. You'll discover not only technical information but also guidance on work practices that are as vital to your success as are your technical skills. The author's favorite chapter is The Big Picture and the Ten Deliverables. It is the editor's favorite chapter too. If you take the lessons in that chapter to heart, you can quickly become a much better Oracle database administrator than you ever thought possible. You will grasp the key aspects of theory behind relational database management systems and learn how to install and configure an Oracle database and ensure that it's properly licensed. Execute common management tasks in a Linux environment. Defend against data loss by implementing sound backup and recovery practices and improve database and query performance.

**Pro Oracle Database 12c Administration** Darl Kuhn, 2013-07-15 Manage and safeguard your organization's data. Cover *Pro Oracle Database 12c Administration* Darl Kuhn, 2013-08-23 Pro Oracle Database 12c Administration is a book focused on results. Author Darl Kuhn draws from a well of experience over a decade deep to lay out real-world techniques that lead to success as an Oracle Database administrator. He gives clear explanations on how to perform critical tasks. He weaves in theory where necessary without bogging you down in unneeded detail. He is not afraid to take a stand on how things should be done. He won't leave you adrift in a sea of choices showing you three ways to do something and then walking away. Database administration isn't about passing a certified exam or about pointing and clicking your way through a crisis. Database administration is about applying the right solution at the right time, about avoiding risk, about making robust choices that get you home each night in time for dinner with your family. If you have buck stops here responsibility for an Oracle database, then Pro Oracle Database 12c Administration is the book you need to help elevate yourself to the level of Professional Oracle Database Administrator. Covers multi-tenant, container, and pluggable database implementation and management. Condenses and organizes the core job of a database administrator into one volume. Takes a results-oriented approach to getting things done. Lays a foundation upon which to build a senior level of expertise.
