Romain Gary Ralph W. Schoolcraft, 2002-04 Singer songwriter Brett Dennen explores his early musical influences as well as the landscapes of Sierra Nevada mountain range on his fifth album Includes the single Wild Child **Promise at Dawn** Romain Gary, 2017-10-31 A classic of modern French literature the thrilling real life story of the military hero ambassador ladies man writer and loving son I grew up in the certitude that one day I should help give back the earth to those who ennoble it with their courage and warm it with their love Promise at Dawn begins as the story of a mother's sacrifice alone and poor she fiercely battles to give her son the very best Romain Gary chronicles his childhood in Russia Poland and on the French Riviera and recounts his adventurous life as a young man fighting for France in World War II But above all he tells the story of the love for his mother that was his life their secret and private planet their wonderland born out of a mother's murmur into a child's ear a promise whispered at dawn of future triumphs and greatness of justice and love

The Life Before Us Romain Gary, 2022-11-14 Now back in print this heartbreaking novel by Romain Gary has inspired two movies including the Netflix feature The Life Ahead Momo has been one of the ever changing ragbag of whores children at Madame Rosa's boarding house in Paris ever since he can remember But when the check that pays for his keep no longer arrives and as Madame Rosa becomes too ill to climb the stairs to their apartment he determines to support her any way he can This sensitive slightly macabre love story between Momo and Madame Rosa has a supporting cast of transvestites pimps and witch doctors from Paris's immigrant slum Belleville Profoundly moving The Life Before Us won France's premier literary prize the Prix Goncourt [Promise at Dawn](#) Romain Gary, John M. Beach, 1987-04-01 The author recounts the special relationship he had with his mother and explains how he worked to achieve the many goals and accomplishments she expected of him **Romain Gary** David Bellos, 2010-11-30 Airman war hero immigrant law student diplomat novelist and celebrity spouse Romain Gary had several lives thrust upon him by the history of the twentieth century but he also aspired to lead many more He wrote more than two dozen books and a score of short stories under several different names in two languages English and French neither of which was his mother tongue Gary had a gift for narrative that endeared him to ordinary readers but won him little respect among critics far more intellectual than he could ever be His varied and entertaining writing career tells a different story about the making of modern literary culture from the one we are accustomed to hearing Born Roman Kacew in Vilna now Lithuania in 1914 and raised by only his mother after his father left them Gary rose to become French Consul General in Los Angeles and the only man ever to win the Goncourt Prize twice This biography follows the many threads that lead from Gary's wartime adventures and early literary career to his years in Hollywood and his marriage to the actress Jean Seberg It illuminates his works in all their incarnations and culminates in the tale of his most brilliant deception the fabrication of a complex identity for his most successful nom de plume mile Ajar In his new portrait of Gary David Bellos brings biographical research together with literary and cultural analysis to make sense of

the many lives of Romain Gary a hero fit for our times as well as his own *White Dog* Romain Gary,2004-12 Both a personal memoir and a French novelist's encounter with American reality *White Dog* is an unforgettable portrait of racism and hypocrisy Set in the tumultuous Los Angeles of 1968 Romain Gary's story begins when a German shepherd strays into his life He was watching me his head cocked to one side with that unbearable intensity of dogs in the pound waiting for a rescuer A lost police canine this white dog is programmed to respond violently to the sight of a black man and Gary attempts to deprogram it like his attempts to protect his wife the actress Jean Seberg like her endeavors to help black activists like his need to rescue himself from the predicament of being trapped lock stock and barrel within a human skin lead from crisis to grief Using the re-education of this adopted pet as a metaphor for the need to quash American racism Gary develops a domestic crisis into a full scale social allegory **Romain Gary** Dominique Bona,1987 **Romain Gary** David Bellos,2010-11-30 **The Films of Jean Seberg** Michael Coates-Smith,Garry McGee,2014-01-10 Here is the first comprehensive examination of the international film career of Iowa born actress Jean Seberg 1938-1979 Bursting onto the scene as star of Otto Preminger's controversial *Saint Joan* 1957 the 19 year old Seberg encountered great difficulty recovering from the devastating criticism of her performance The turnaround came in 1959 with her brilliant work in Jean Luc Godard's new wave classic *A bout de souffle* *Breathless* Though her Hollywood prospects were harmed by subsequent political involvements Seberg continued to work with some of Europe's finest directors Her later films offer a fascinating view of the movie industry in the 1960s and 1970s and of a courageous actress always ready for a new challenge A biographical sketch provides a framework for detailed scrutiny of her 37 films Background information and a critical evaluation is provided for each title *The Kites* Romain Gary,2019-09-24 Romain Gary's bittersweet final masterpiece is epic and empathetic BBC and one of his best *The New York Times* *The Kites* begins with a young boy Ludo coming of age on a small farm in Normandy under the care of his eccentric kite making Uncle Ambrose Ludo's life changes the day he meets Lila a girl from the aristocratic Polish family that owns the estate next door In a single glance Ludo falls in love forever Lila on the other hand disappears back into the woods And so begins Ludo's adventure of longing passion and love for the elusive Lila who begins to reciprocate his feelings just as Europe descends into World War II After Germany invades Poland Lila and her family go missing and Ludo's devotion to saving her from the Nazis becomes a journey to save his love his loved ones his country and ultimately himself Filled with unforgettable characters who fling all they have into the fight to keep their hopes and themselves alive *The Kites* is Romain Gary's poetic call for resistance in whatever form it takes A war hero himself Gary embraced and fought for humanity in all its nuanced complexities in the belief that a hero might be anyone who has the courage to love and hope **Impostors** Christopher L. Miller,2022-12-22 Miller takes us on an exciting tour of postcolonial and world literature guiding us through the literary maze of the real and the pretenders to the real Ngugi wa Thiong'o author of *Wizard of the Crow* Writing a new page in the surprisingly long history of literary deceit *Impostors* examines a series of

literary hoaxes deceptions that involved flagrant acts of cultural appropriation This book looks at authors who posed as people they were not in order to claim a different ethnic class or other identity These writers were in other words literary usurpers and appropriators who trafficked in what Christopher L Miller terms the intercultural hoax In the United States such hoaxes are familiar Forrest Carter s *The Education of Little Tree* and JT LeRoy s *Sarah* are two infamous examples Miller s contribution is to study hoaxes beyond our borders employing a comparative framework and bringing French and African identity hoaxes into dialogue with some of their better known American counterparts In France multiculturalism is generally eschewed in favor of universalism and there should thus be no identities in the American sense to steal However as Miller demonstrates this too is a ruse French universalism can only go so far and do so much There is plenty of otherness to appropriate This French and Francophone tradition of imposture has never received the study it deserves Taking a novel approach to this understudied tradition *Impostors* examines hoaxes in both countries finding similar practices of deception and questions of harm In this fascinating study of intercultural literary hoaxes Christopher L Miller provides a useful brief history of American literary impostures as a backdrop for his investigation of France s literary history of ethnic usurpation
