For the People, For the Country John A. Ragosta, 2023-08-17 In 1799 at the behest of President George Washington Patrick Henry came out of retirement to defend the Constitution that he had once opposed and to thwart Thomas Jefferson and James Madison whom Washington accused of putting party over country and threatening the fragile union For the People For the Country tells the remarkable story of how the most eloquent public speaker of the American Revolutionary era and a leading antifederalist during debates over ratification of the Constitution reemerged on the side of the federalists and once again changed history Much more than a fire breathing demagogue the Patrick Henry we encounter here comes to life as a principled leader of the young nation who believed above all in working with a government elected by the people advocating for political change in a constitutional way at the ballot box A gripping narrative this book will change long held views of this great Founding Father [The Extraordinary Secrets of April, May, & June](#) Robin Benway, 2010-08-03 I hugged my sisters and they fit against my sides like two jigsaw pieces that would never fit anywhere else I couldn't imagine ever letting them go again like releasing them would be to surrender the best parts of myself Three sisters share a magical unshakeable bond in this witty high concept novel from the critically acclaimed author of *Audrey Wait Around the time of their parents divorce* sisters April May and June recover special powers from childhood powers that come in handy navigating the hell that is high school Powers that help them cope with the hardest year of their lives But could they have a greater purpose April the oldest and a bit of a worrier can see the future Middle child May can literally disappear And baby June reads minds everyone's but her own When April gets a vision of disaster the girls come together to save the day and reconcile their strained family They realize that no matter what happens powers or no powers they'll always have each other Because there's one thing stronger than magic sisterhood [Index, The Papers of the Continental Congress, 1774-1789: Leacraft, W.-Pyttis](#), 1978 **New York State Service** New York (State).
