#### 1. Nature and Function of a State and its relationship with Law

##### Introduction

The word 'state' has been derived from the Latin word 'status', which means 'standing' i.e., position of a person or a body of person. The state is the highest form of human association. **Woodrow Wilson**- "State denotes a set of people organized for law within a definite territory".

**Oppenheim**- "a State comes into existence when people are settled in a country under its own sovereign government".

**Dallas**- "a State is a body of free persons, united together for the common benefit to enjoy peaceably what is their own, and to do justice to others".
