Place

A location which has different meanings to various people.

Placemaking

The deliberate shaping of an environment to facilitate social interaction and improve a community's quality of life.

locale

Locations that are associated with everyday activities and are shaped by the people, culture and customs within it.

Sense of place

the subjective and emotional attachment to a place which gives it meaning.

Doreen Massey

Places are dynamic processes

Places have multiple identities

Places have no boundaries

Placelessness

Defined by geographer Edward Relph as the loss of uniqueness of place in the cultural landscape.

Positionality

Factors such as age, gender, race that influence how we perceive different places.

genius loci

the spirit of a place - develop a sense of place and suggests every place has a unique spirit or atmosphere.

Clone town

settlements where the high street is dominated by chain stores - placelessness. Globalisation has created these homogenised places.
