Self Help Mindset Training Guide:

Making an Impact on Mental Health James N. Kirby, Paul Gilbert, 2020-09-22 Advancements in research in psychological science have afforded great insights into how our minds work Making an Impact on Mental Health analyses contemporary international research to examine a number of core themes in mental health such as mindfulness and attachment and provides an understanding of the sources of mentally ill health and strategies for remediation The originality of this work is the embedding of psychological science in an evolutionary approach Each chapter discusses the context of a specific research project looking at the methodological and practical challenges how the results have been interpreted and communicated the impact and legacy of the research and the lessons learnt As a whole the book looks at how social environments shape who we are and how we form relationships with others which can be detrimental but equally a source of flourishing and well being Covering a range of themes conducive to understanding and facilitating improved mental health Making an Impact on Mental Health is invaluable reading for advanced students in clinical psychology and professionals in the mental health field

Thinking Body, Dancing Mind Chungliang Al Huang, 2009-07-29 Why fight your way to the top when you can rise to it Let go of the obsession to win and you will be victorious Acknowledge your vulnerabilities and turn them into strengths Find the courage to risk failure and begin your journey to success That is the secret of the Tao Athlete and in this remarkable book tai chi expert Chungliang Al Huang and renowned professional and Olympic sports psychologist Jerry Lynch teach you the time honored principles of successful performance whether on the playing field in the office or in your relationships By mastering the unique strategies and mental exercises of the Tao Athlete you will unlock the extraordinary powers of body mind and spirit that will lead you to victory in any field of endeavor Praise for Thinking Body Dancing Mind This gives you a positive mental perspective and provides good focus for your mind unconscious and conscious Phil Jackson coach of the Los Angeles Lakers Warning If you're completely content with your life don't read this book But if you'd like to break through to higher levels of performance understanding and happiness this book is magic Larry Dossey M D author of Meaning Medicine and Healing Words In six months my level of performance has grown more than in the previous ten years of athletic training Using Taoist principles of performance has pushed me to levels I never dreamed possible Steven Gottlieb all American 1989 NCAA Tennis Division III champion Bringing Eastern thought to the Western world of sport really works My game has improved immensely Vince Stroth offensive guard Houston Oilers NFL The Tao is responsible for me turning my life around athletically and personally I am now able to believe in myself and perform to my capability Regina Jacobs U S Olympic Track Team

[A Guide for Developing a Culture of Caring Through Nursing Peer Mentorship Programs](#) Deborah Kramer, 2024-08-19 This book describes in detail how to develop successful programs of nursing mentorship utilizing concepts of caring that yields a strong caring body of nurses who will be nurse thrivers as they find fulfilment and meaning in their professional commitment and will train others to do the same The mentorship program is the ticket to success that

many students need to complete their degree program prevent burnout pass the nursing NCLEX examination and remain in the workforce after graduation The current attrition rate in baccalaureate nursing programs is 25 50% as is the attrition rate in the first 2 years of employment of new RN s entering the workforce Burnout is due to a lack of care and support for helping the students navigate the rigor and demands of the nursing program Creating a community of learners with caring and support creates an environment that fosters academic engagement and success The unique aspect of this book is its focus on creating a caring environment to support the students helping them develop caring skills empathy resilience and their own self care developing the skills for success beyond their educational process into the workforce This book integrates all patterns of knowing personal aesthetic empiric and ethical and provides the missing link of peer mentorship necessary to the development of resilient emancipated nursing students and graduates capable of working in community with others to establish cultures of care in health care This is a must have resource for transformation of nursing education in the next century Foreword by Dr Margaret McClure

The Lifestyle Medicine Toolbox Z. Altug, PT, DPT, DipACLM, OCS,2024-02-21 This holistic guide provides an integrative toolbox on how healthcare and fitness professionals can promote lifestyle medicine with their clients Its clinical and evidence informed approach focuses on the six primary lifestyle medicine factors nutrition exercise sleep hygiene stress management risky substance use and social connectedness Each factor is enriched with a variety of strategies and advice including anti inflammatory recipes self guided visualisation tips on how to break bad habits sustainable fitness and mind body exercises Based on the author s 30 years of experience as a trained physical therapist treating musculoskeletal conditions this book s nonpharmacological and nonsurgical focus allows clients to feel empowered in taking charge of their health through a plethora of resources and techniques It provides clear actionable steps and real world examples in order to nurture sustainable changes that promote long term health and healing
