Co-Active Leadership Karen Kimsey-House, Henry Kimsey-House, 2015-09-21 A Multidimensional Approach to
Leadership Top down one dimensional leadership models are hopelessly outmoded in today s rapidly changing world and
they waste the leadership ability that is present throughout an organization In this visionary book Karen and Henry Kimsey
House provide a model that harnesses the possibility of many rather than relying on the power of one Their revolutionary five
dimensional approach recognizes that leadership has to be fluid and flexible and that the roles leaders and followers play
must shift to suit the situation *Co Active Leadership* invites all of us to share our expertise and allows collaborative solutions
to emerge that would never have been possible otherwise *Co-Active Leadership, Second Edition* Karen
Kimsey-House, Henry Kimsey-House, 2021-05-04 As leaders how we are is as important as what we do The second edition of
this leadership classic updated with new chapters shows how to master the inner and outer work needed to build
relationships that unleash the transformational creative potential in everyone We need to expand beyond top down one
dimensional leadership models and find alternatives that are more fluid and inclusive and that harness the possibility of many
rather than relying on the power of one This is exactly what Karen and Henry Kimsey House provide in this groundbreaking
book *Co Active Leadership* is a deeply collaborative approach which is why the first of its five dimensions is leading from
within self leadership Leaders must be fully present and live lives of integrity openheartedness and self awareness if they are
to make the kind of conscious creative choices *Co Active Leadership* demands Each of the remaining four dimensions work
together holistically Depending on the situation you may lead from the front offering guidance and inspiration from behind
supporting and encouraging others from beside partnering with and supporting other members of your team or from the field
drawing on insights and wisdom available beyond the rational mind This edition includes two new chapters one offering new
ways to utilize the *Co Active Leadership Model* and another that goes deeply into the *Co Active philosophy* *Co Active
Leadership* celebrates and honors different expressions of leadership It invites all of us to share our expertise and allows
collaborative solutions to emerge that would never have been possible otherwise *Co-Active Coaching, Fourth Edition*
