Complete Workbook Romantasy Saga

Elisa S. Amore, Annie Crawford

Complete Workbook Romantasy Saga:

Discover Tina Folsom Tina Folsom, 2025-05-22 I've put together this collection to help new readers get acquainted with my writing. In it, you'll find three short stories: *Mortal Wish* (part of the Scanguards Vampires universe), *Steal Me* (a standalone romantic suspense set in London), and *The Wrong Suitor* (a Western), as well as excerpts to all my other books (50 in total), including an early preview of my new werewolf series *Werewolf Alliance*. I've been writing since 2008 and publishing romance novels since 2010. I'm a very prolific author, and sometimes it can be a bit daunting to wade through my various series to decide what to read next. This compilation will make it easier for you to decide if you'll enjoy my romance novels and my one and only thriller *Eyewitness*. I write about Vampires, Scanguards, Vampires, Venice Vampyr, Greek Gods, Out of Olympus Demons, and Immortals, Stealth Guardians, psychic CIA Agents, Code Name Stargate, Time Travelers, Time Quest, Bachelors, The Hamptons Bachelor Club, and Werewolves. *Werewolf Alliance*. This collection includes: Excerpts from 4 novels: *The Hamptons Bachelor Club*; Excerpts from 6 novels: *Time Quest*; Excerpts from 2 novellas: *Code Name Stargate*; Excerpts from 5 novels: *Venice Vampyr*; Excerpts from 4 novellas: *Stealth Guardians*; Excerpts from 7 novels: *Scanguards Vampires*; Excerpts from 19 novels and 1 novella: *Eyewitness*. Free short story: *Mortal Wish*; Free short story: *Steal Me*; Free short story: *The Wrong Suitor*; Preview of my new series: *Werewolf Alliance*. *New Blood*. I hope you'll find a series that you enjoy.

The Series Blueprint Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. *Book Three: The Series Blueprint* is your long-range guide to building a series that actually works, from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over; choose the right series structure for your genre, audience, and goals; build book-level arcs that serve a bigger long-form story; decide between saga, episodic, or hybrid models with confidence; track character growth, worldbuilding, and continuity without overwhelm; balance creativity with strategy without killing your spark; finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Solstice of Wolves Eva Alton, 2025-12-31 A wolf shifter. A vampire. A cursed book that should never be opened on the night of the solstice. This standalone novella takes place in the shared universe of *The Vampires of Emberbury* and *The Witches of Ibiza*. When Tanaya, a lone wolf, accepts a mission to recover an ancient grimoire, one thing is certain: vampires are the enemy. But magic doesn't care about prejudice or inherited

grudges Following the trail of the book Tanaya ventures through a snow covered forest to a remote monastery hidden in the mountains There a coven of witches prepares for a masquerade ball on the longest night of the year Alois a cultured refined and dangerously charming vampire has been sent after the same object The laws of their worlds are clear wolves and vampires must never mix But when a snowstorm traps them among frozen woods ancient secrets and unstable spells Tanaya and Alois are forced to work together The codex they seek could unleash a power capable of ending all supernatural beings or changing the fate of their worlds forever Between masks and candlelight almost kisses and truths that hurt more than any fang Tanaya must decide what she s willing to sacrifice Her mission Her loyalty Or the vampire she was never meant to fall for Inside these pages A standalone paranormal romance with a happy ending Enemies to lovers wolf shifter and vampire Snowstorm ancient monastery and witch coven Masquerade ball on the night of the solstice Magic danger and romantic tension throughout Solstice of Wolves is a winter romance meant to be read under blankets with a warm cup of tea and a love that feels impossible until it isn t This novella can be read independently and connects to the series The Vampires of Emberbury The Witches of Ibiza *Hidden Deep, Book 1 of the Hidden Saga* Amy Patrick, 2015-03-23 HE ISN T SUPPOSED TO EVEN TALK TO A HUMAN MUCH LESS FALL IN LOVE WITH ONE Sixteen year old Ryann Carroll has just run into the guy who saved her life ten years ago You might think she d be happy to see him again Not exactly She s a bit underdressed as in skinny dipping and he s not supposed to exist After her father s affair all Ryann wants is to escape the family implosion fallout and find a little peace She also wouldn t mind a first date that didn t suck but she s determined not to end up like her mom vulnerable betrayed destroyed Ryann s just moved into her grandma s house in rural Mississippi the same place where ten years earlier she became lost in the woods overnight and nearly died She s still irresistibly drawn to those woods There she encounters the boy who kept her from freezing to death that long ago winter night and was nowhere to be seen when rescuers arrived He s still mysterious but now all grown up and gorgeous too And the more she s with him the greater the threat he poses to Ryann s strict policy never want someone more than he wants you Seventeen year old Lad knows the law of his people all too well Don t get careless and Don t get caught It s allowed his race to live undetected in this world for thousands of years mentioned only in flawed and fading folklore Lad s never been able to forget about Ryann since that night ten years ago When he sees her again his fascination re ignites and becomes a growing desire that tempts him to break all the rules He s not even supposed to talk to a human much less fall in love with one And the timing is atrocious The Assemblage is coming the rift between the Light and Dark is widening Lad may have to trade his own chance at happiness to keep the humans especially Ryann blissfully ignorant and safe Grab your copy today and Give in to the Glamour of the Hidden Saga HIDDEN DEEP is a romantic and gripping full length YA paranormal romance of 87 000 words that will transport urban fantasy fans to a fascinating supernatural world within our own filled with suspense danger sizzling tension and desire Binge the COMPLETE series THE HIDDEN SAGA READING ORDER Book 1 Hidden Deep Book 2 Hidden Heart
