Labour Law In Myanmar:

Research Handbook on Transnational Labour Law Adelle Blackett, Anne Trebilcock, 2015-09-25 The editors substantive introduction and the specially commissioned chapters in the Handbook explore the emergence of transnational labour law as a field along with its contested contours The expansion of traditional legal methods such as treaties is juxtaposed with the proliferation of contemporary alternatives such as indicators framework agreements and consumer led initiatives Key international and regional institutions are studied for their coverage of such classic topics as freedom of association equality and sectoral labour standard setting as well as for the space they provide for dialogue The volume underscores transnational labour law s capacity to build bridges including on migration climate change and development **Law, Society and**

Transition in Myanmar Melissa Crouch, Tim Lindsey, 2014-10-23 This is the first edited volume to address the dynamics of the legal system of Myanmar Burma in the context of the dramatic transition to democracy that formally began in 2011

International Labour Rights and the Social Clause Arne Daniel Albert Vandaele, 2005 Takes as its starting point the observation that a social clause should be concerned with achieving international labour rights Analyses the conception of international labour rights involving not only law but also other disciplines such as history morality and economics Shows that the discussion on the social clause is emblematic of the way the WTO and the international trade system should deal with human rights in general It requires an approach grounded in international law in the broadest sense covering general international law international human rights law international trade law international labour law and legal theory *The*

Report: Myanmar 2015 Oxford Business Group, 2015-03-03 The country s location within the region and population of more than 50m will help it achieve growth with international analysts predicting Myanmar s economy to be worth up to 200bn by 2030 With elections set to take place in late 2015 the world is eagerly watching to see how things will unfold After spending decades as one of the most isolated and least developed countries in Asia Myanmar is emerging as one of the world s fastest growing economies Agriculture manufacturing and mining are some of Myanmar s top contributors to GDP which was forecast to reach 8.5% in FY2014-15 and FY2015-16 While foreign investment is accelerating there are ways in which it remains blocked As the country continues to reintegrate with the global economy continued reforms as well as the opening of more economic sectors to foreign investors will help unlock the country s potential *Myanmar Laws* Burma, 2011

Labour Laws and Small and Medium Enterprises, 1991 **Labor Law Reporter Employment Practices, Transfer Binder**, 2000 **Extracting Development** Oliver Tappe, Simon Rowedder, 2022-10-10 Resource extraction is currently shaping Southeast Asian landscapes and people s lives to an unprecedented degree This volume explores old and new resource frontiers their effect on local economies and social relations and questions of contested resource control and governance Case studies from Laos Thailand Myanmar and Cambodia illustrate the predicament of globalized extractivism processes in the region particularly but not only with regard to China s rising geopolitical and economic influence most

prominently expressed by the Belt and Road Initiative Discussing transboundary investments in land and water reserves and localized commodification processes of agrarian resources this volume not only investigates the competing actors and discourses of resource extraction in Southeast Asia What is more the different case studies shed light on the contingent outcomes on the ground of transregional economic dynamics and related socio ecological transformations Combining macro perspectives with fine grained micro scale studies this volume offers a multi faceted picture of extractivism in contemporary Southeast Asia

Comparative Labour Law and Industrial Relations in Industrialized Market Economies Roger Blanpain,2007 Comparativism is no longer a purely academic exercise but has increasingly become an urgent necessity for industrial relations and legal practitioners due To The growth of multinational enterprises And The impact of international and regional organizations aspiring to harmonize rules The growing need for comprehensive up to date and readily available information on labour law and industrial relations in different countries led to the publication of the International Encyclopaedia for Labour Law and Industrial Relations In which more than 70 international and national monographs have thus far been published This book *Comparative Labour Law and Industrial Relations in Industrialized Market Economies* goes a step further than the Encyclopaedia in as much as most of the chapters provide comparative and integrated thematic treatment The aim is to describe the salient characteristics and trends in labour law and industrial relations in the contemporary world This book is obviously not exhaustive with respect to the coverage of countries and topics The authors limit themselves mainly to the industrialized market economies The book is divided in three main parts an introduction relating to methodology and documentation including the use of Internet The second part concerns international actors like the International Employerrrsquo s Organisations And The International Trade Union Movement As well as Human Resources Management The third concerns the sources of regulation concentrating on International and European Labour Law as well as on Codes of Conduct for Multinational Enterprises and describes also the rules in case of conflict of laws The last part deals with international developments and comparative studies in not less than 15 chapters The IXth edition will like the previous editions serve as a textbook and reference work to facilitate the task of teachers and students of comparative labour law and industrial relations it will also provide labour lawyers with the necessary insights to cope with a world which is increasingly international

Annual Report on the OECD Guidelines for Multinational Enterprises 2014 Responsible Business Conduct by Sector OECD,2014-12-18 This 14th annual report on the OECD Guidelines for Multinational Enterprises describes the activities undertaken to promote the observance of the Guidelines during the implementation cycle of June 2013 June 2014

Report on Working Children and Women in Myanmar's Urban Informal Sector ,1997 *Comparative Labour Law Principles and Methods Industrial Relations In industrialized Market Economies* Greg Bamber,2001-06-22 Comparativism is no longer a purely academic

exercise but has increasingly become an urgent necessity for industrial relations and legal practitioners due To The globalisation of the economy The massive introduction of new information technology The growth of multinational enterprises And The impact of international and regional organizations aspiring to harmonize rules the growing need for comprehensive up to date and readily available information on labour law and industrial relations in different countries led To The publication of the International Encyclopaedia for Labour Law and Industrial Relations In which almost 70 international and national monographs have been published thus far This book goes a step further than the Encyclopaedia inasmuch as most of the chapters provide comparative and integrated thematic treatment Our aim is to describe the salient characteristics and trends in labour law and industrial relations in the contemporary world Encouraged by the warm reception of the first six editions we hope that also the seventh edition will serve as a textbook and reference work to facilitate the task of teachers and students of comparative labour law and industrial relations We hope too that the book will provide labour lawyers HRM and industrial relations specialists with the necessary insights to cope with a world which is increasingly international

The Status of Myanmar Women Ni Ni Myint,2002 Research on Myanmar women including famous women in history *Asia Business Law Review* ,1999

Labour Rights as Human Rights Philip Alston,2005 Are efforts to protect workers rights compatible with the forces of globalization How can minimum standards designed to protect labor rights be implemented in a world in which national labor law is more and more at the mercy of international forces beyond its control The contributors to this volume argue that international agreements and institutions are of central importance if labor rights are to be protected in a globalized economy exploring some of the options that are open to governments civil society and the labor movement in the years ahead *Workers' Rights for the New Century* Stephen Frost,2003

Assessment of Labour Provisions in Trade and Investment Arrangements International Labor Office,2016 Nearly half of trade agreements concluded in the past five years included either a labor chapter or labor provision that makes reference to international labor standards and ILO instruments The evidence so far suggests that labor provisions have been an important tool for raising awareness and improving laws and legislations with respect to workers rights increasing stakeholder involvement in negotiation and implementation phases and developing domestic institutions to better monitor and enforce labor standards But challenges remain particularly with respect to sustainability of impacts coherence and cooperative efforts This new report part of the Studies on Growth with Equity series gives a full examination of the scope and effectiveness of these labor provisions

International Labor Law Lammy Betten,1993-05-10 Examines the historical background of the development of international labour law since 1917 and in particular the institutional framework of the ILO Discusses the content and application of selected labour standards
