**The Unsung Song** Scott Alisauskas, 2020-12-22 It's a good thing you found this book when you did. As it is written for you, the person who loves music and lyrics and putting the two together to create beautiful works of art. The book you are holding in your hands right now is one of the most dynamic expressions of the modern day poet, otherwise known as a lyricist. Herein lies not just words but words that captivate your senses, catapult your imagination, and palpitate sensations you never knew you had. These lyrical twists and turns tell stories that make you laugh, pull at your heartstrings, push your imagination to the brim of existence, and takes you on a journey to the center of your mind. Listen as a whirlwind of characters come to life before your ears and eyes. It's just another hungry day in our hometown of thieves begging the blind for some sweet sunshine. All is lost if nothing's found. She was a butterfly by day and a firefly by night. Take me to your island before all my passion drowns. I've been waiting for your lonely tides to capture seasons out of time. Fold your gentle majesty into lone soliloquies. There are also eighty songs inspired by Jim Morrison and fifty songs worth of lyrics inspired by Emily Dickinson and a tribute to others section. Let these musical lyrical rhymes be your guiding light on your way toward shining your own light. **Great**
