Pushing to the Front Orison Marden,2016-06-14 A book of inspiration and encouragement to all who are struggling for self elevation along the paths of knowledge and duty I have read with unusual interest *Pushing to the Front* It cannot but be an inspiration to every boy or girl who reads it and who is possessed of an honorable and high ambition Nothing that I have seen of late is more worthy to be placed in the hands of the American youth William McKinley It is destined to be read in nearly every home in the land Boston Herald Under such subjects as Man and the Opportunity Boys with No Chance Concentrated Energy The Triumphs of Enthusiasm and kindred themes the writer of this volume illustrates from a great range of biographic material the power of intelligence energy character and aspiration to command the highest kinds of success The book is crowded with incident and anecdote and is a storehouse of inspiring illustration drawn from real life The Outlook With a great multitude of anecdotes Mr Marden endorses the lessons of patience perseverance enthusiasm energy cheerfulness resolution pluck and all the virtues which go to make up character and success For it is to be observed that he

does not hold up material success and prosperity as the goal to be reached but has much more in mind the making of men A fusillade of maxims and pithy sayings is kept up from first to last and though one anecdote may expel another and the life of one strong man achieving success in spite of difficulties is likely to be more inspiring than a gross of anecdotes there are no doubt natures which will be stimulated by this cheerful energetic book The Atlantic Monthly The book is thoroughly readable for Mr Marden has spared no pains to bring together an immense number of attractive anecdotes and quotations Daily Chronicle Mr Marden may be congratulated on having produced a volume so exceptionally well written and interesting that we do not doubt it will take high rank among the best books that have been brought out as a stimulus and encouragement to aspiring youth We do not remember having seen anything so admirable in literary style and high purpose as Mr Marden s Pushing to the Front The design of the book is to influence less by argument and appeal than by stirring example and incident the pages are crowded with brightly told information concerning the great efforts of noble men and women who have won success in spite of overwhelming difficulties Schoolmaster A modern wonder and should be in the hands of every American boy Bishop Newman A store house of incentives a treasury of precious sayings a granary of seed thoughts capable of a fine character harvest Rev Edward A Horton Boston Dr Marden s power of pithy statement and pertinent illustration seems inexhaustible President Warren of Boston University In this field of epitomized biography arranged especially for the encouragement of youth I the pursuit of the honorable ambition to succeed there is probably no finer work than this Christian Work **Pushing to the Front** Orison Swett Marden,2018-09-25 Pushing to the Front Volume 2By Orison Swett MardenThe book tells how men and women have seized common occasions and made them great it tells of those of average ability who have succeeded by the use of ordinary means by dint of indomitable will and inflexible purpose It tells how poverty and hardship have rocked the cradle of the giants of the race The book points out that most people do not utilize a large part of their effort because their mental attitude does not correspond with their endeavor so that although working for one thing they are really expecting something else and it is what we expect that we tend to get **Pushing to the Front** Orison Swett Marden,Tim Zengerink,2025-10-05 Obstacles are things a person sees when he takes his eyes off his goal Orison Swett Marden **Pushing to the Front** Orison Swett Marden,2013-09-06 The golden opportunity you are seeking is in yourself It is not in your environment it is not in luck or chance or the help of others it is in yourself alone Pushing to the Front became the single greatest runaway classic in the history of personal development books when it was published in 1894 Henry Ford Thomas Edison Harvey Firestone and J P Morgan cited it as inspiration Orison Swett Marden who lost the original manuscript in a fire and had to start from scratch went on to write more than twenty other inspirational books Goals! Brian Tracy,2003 A Popular personal development expert offers a detailed process for transforming dreams into reality **Pushing to the Front (Classic Reprint)** Orison Swett Marden,2017-11-20 Excerpt from Pushing to the Front It is doubtful whether any other book outside of the Bible has been the turning point in more lives It has sent thousands of

Character Is Capital Judy Hilkey, 2000-11-09 In late nineteenth century America a new type of book became commonplace in millions of homes across the country Volumes sporting such titles as *The Way to Win* and *Onward to Fame and Fortune* promised to show young men how to succeed in life But despite their upbeat titles success manuals offered neither practical business advice nor a simple celebration of the American Dream Instead as Judy Hilkey reveals they presented a dire picture of an uncertain new age portraying life in the newly industrialized nation as a brutal struggle for survival but arguing that adherence to old fashioned virtues enabled any determined man to succeed Hilkey offers a cultural history of success manuals and the industry that produced and marketed them She examines the books appearance iconography and intended audience primarily native born rural and small town men of modest means and education and explores the genre's use of gendered language to equate manhood with success femininity with failure Ultimately argues Hilkey by articulating a worldview that helped legitimate the new social order to those most threatened by it success manuals urged readers to accommodate themselves to the demands of life in the industrial age
