Olympiad Combinatorics Art Of Problem Solving:

What High Schools Don't Tell You (And Other Parents Don't Want You to Know) Elizabeth

Wissner-Gross,2008-06-24 From the author of What Colleges Don t Tell You a plan to help parents of middle and early high school students prepare their kids for the best colleges In order to succeed in the fiercely competitive college admissions game you need a game plan and you have to start young In this empowering guide Elizabeth Wissner Gross a nationally sought after college packager helps parents of seventh to tenth graders create a long term plan that come senior year will allow their kids to virtually write their own ticket into their choice of schools Parents should start by helping their kids identify their academic passions then design a four year strategy based on those interests The book details hundreds of opportunities available to make kids stand out that most high school guidance counselors and teachers simply don t know about or don t think to share This indispensable guide should be required reading for any parent whose child dreams of attending one of the country s top colleges

What High Schools Don't Tell You Elizabeth Wissner-Gross,2007 Reveals strategies for helping today s high school students become an applicant for whom colleges will compete identifying academic credentials extracurricular programs and other achievements that will be favorably received by leading admissions committees
