Leadership Handbook Paperback:

The Leadership Handbook John C. Maxwell, 2015-02-03 The most effective leaders across a wide variety of spectrums have achieved their success by beginning their journey with a question few bother to ask How do I lead myself As New York Times bestselling author and leadership expert John C Maxwell says A leader never has to recover from a good start So when a leader takes root by firmly establishing themselves in their field of expertise preparing for every risk and failure imaginable the fruit of their endeavors will spread throughout their career and impact profoundly those in whom they invest In The Leadership Handbook Maxwell presents 26 insights intended to help build the leader within not only those aspiring to new positions of leadership but also those veterans who aim to improve upon the steps that led them to the front of the line Readers will enjoy and benefit immensely from Maxwell s highly relatable principles such as The Best Leaders Are Listeners Keep Your Mind on the Main Thing Don t Manage Your Time Manage Your Life Keep Learning to Keep Leading People Quit People Not Companies And many more With application exercises and a Mentoring Moment to accompany each chapter The Leadership Handbook presents a road map for a path many may cross but few choose to follow

The Leadership Handbook Bomi Doctor, 2020-11-20 There are several types of leaders however essentially two variants one who holds the designation of a leader and the other whose job demands leadership quality You do not need to have a title to be a leader A good leader is one who develops leaders under him While a lot has been written on leadership few if any by an Indian who has worn out the soles of his shoes in the Indian corporate world from field to desk to leadership This book defines authentic leadership in the context of today s world What makes this book a great handbook for a new manager or a seasoned one is its Power of Simplicity which rests on actual experiences drawn from the author s own work life This is a great handbook for aspiring leaders and leaders as well and has lots of practical examples that actually allow leaders referral points to navigate their own corporate attitude associations and path A master at identifying pain points Doctor has left nothing to subtly and bluntly confront the issues at hand His plain speaking style will resonate with managers on the job like it has in the course of his various consultancy assignments A book to be thumbed through ever so often and in real time it is powerful and insightful A must read this book offers tremendous value in terms of guidance and growth for those young leaders who want to excel in their assigned roles For all those leaders who extract the lessons from this simple yet powerful book the reward in terms of results will be extraordinary
