The Strategy of Indirect Approach, B.h. Liddell Hart B. H. Liddell Hart,1942 *The 21st Century Cold War* Jeffrey Kaplan,2020-06-04 The 21st Century Cold War is a multidisciplinary approach to understanding the pattern of Russian interference in the internal affairs of other nations suggesting that what in the Cold War was a simple conflict of East vs West has expanded into a conflict between Russia and two increasingly separate Wests The book begins with an examination of the structure of the Cold War and post Cold War world and subsequently explores Russian interference by overt grey and covert means including but not limited to cyberespionage fake news and the use of what in the Cold War would have been called front groups and agents of influence The approach encompasses both historic and contemporary themes with the question of whether the Cold War between East and West capitalism and communism is a thing of the past or does it continue today in new ideological guises as a central theme Expert contributors explore what the motivations and implications for the pattern of Russian interference in the political processes of other states would be and what new coalitions of actors are taking shape both for and against Russian activities With a series of historical and contemporary case studies focusing on the origins and contemporary dimensions of Russian information warfare and exploring the issues involved from every perspective The 21st Century Cold War will be of great interest to scholars of Security and Strategic Studies International Relations and Cold War History as well as policy makers and security professionals The chapters were originally published as a special issue of **Terrorism and Political Violence** **Combined Arms Center (CAC) Research and Publication Index** , Index to selected publications of the Combined Arms Center *Military Review* ,2006 [Protection of Civilians](#) Haidi Willmot,Ralph Mamiya,Scott Sheeran,Marc Weller,2016-04-15 The protection of civilians is a highly topical issue at the forefront of international discourse and has taken a prominent role in many international deployments It has been at the centre of debates on the NATO intervention in Libya UN deployments in Darfur South Sudan and the Democratic Republic of the Congo and on the failures of the international community in Sri Lanka and Syria Variouslly described as a moral responsibility a legal obligation a mandated peacekeeping task and the culmination of humanitarian activity it has become a high profile concern of governments international organisations and civil society and a central issue in international peace and security This book offers a multidisciplinary treatment of this important topic harnessing perspectives from international law and international relations traversing academia and practice Moving from the historical and philosophical development of the civilian protection concept through relevant bodies of international law and normative underpinnings and on to politics and practice the volume presents coherent cross cutting analysis of the realities of conflict and diplomacy In doing so it engages a series of current debates including on the role of politics in what has often been characterized as a humanitarian endeavour and the challenges and impacts of the use of force The work brings together a wide array of eminent academics and respected practitioners incorporating contributions from legal scholars and ethicists political commentators diplomats UN

officials military commanders development experts and humanitarian aid workers As the most comprehensive publication on the subject this will be a first port of call for anyone studying or working towards a better protection of civilians in conflict

Assessing Russia's Actions in Ukraine and Syria, 2014-2022 John A. Pennell,2024-09-11 Russia's actions in Syria and Ukraine during 2014 and 2022 reveal more continuity than change and more evolution than revolution in warfare These actions mostly reflect what the Kremlin perceives as changes in strategic and technological contexts which impacts who fights wars and how wars are fought **Strategy** ,1967 **Strategy** B.
