Official CIA Manual: Human Resource Exploitation Training Manual Central Intelligence Agency CIA,2019-11-18 This manual the HUMAN RESOURCE EXPLOITATION TRAINING MANUAL dated 1982 is the source of much of the INTERROGATION TRAINING GIVEN OUT TO VARIOUS CIA TEAMS AROUND THE WORLD It describes interrogation techniques including among other things coercive counterintelligence interrogation of resistant sources This is the oldest manual and describes the use of abusive techniques as exemplified by two references to the use of electric shock in addition to use of threats and fear sensory deprivation and isolation *Official CIA Manual* Kubark Manual,Central Intelligence Agency,2019-11-15 The Human Resource Exploitation Training Manual 1983 was used in at least seven U S training courses conducted in Latin American countries including Honduras between 1982 and 1987 According to a declassified 1989 report prepared for the Senate intelligence committee the 1983 manual was developed from notes of a CIA interrogation course in Honduras The manuals deal exclusively with interrogation and has an entire chapter devoted to coercive techniques This manual recommends arresting suspects early in the morning by surprise blindfolding them and stripping them naked Suspects should be held incommunicado and should be deprived of any kind of normal routine in eating and sleeping Interrogation rooms should be windowless soundproof dark and without toilets *CIA Manual* Susann Berlanga,2021-04-23 Employs material taken from extensive research and hundreds of interviews to trace the CIA s evolution over the last fifteen years describing its failures and successes An amazing historical artifact this eye opening handbook offered step by step instructions to covert intelligence operatives in all manner of sleight of hand and trickery designed to thwart the Communist enemy Part of the Company s infamous MK ULTRA a secret mind control and chemical interrogation research program this legendary document the brainchild of John Mulholland then America s most famous magician was believed lost forever But thanks to former CIA gadgeteer Bob Wallace and renowned spycraft historian H Keith Melton This book is now available to everyone spy and civilian alike [The Official CIA Manual of Trickery and Deception](#) Harold Keith Melton,Robert Wallace,2010 When the CIA commissioned a top secret undercover operation in 1953 against the backdrop of the Cold War they enlisted the help of famous magician John Mulholland to write two manuals on sleight of hand and undercover communication In 1973 all documents related to the mission were destroyed Mulholland s magic manuals were thought to be lost until recently a single copy of each document was found This is the first publication to reconstruct John Mulholland s manual from the original pages With chapter headings such as Handling of Powders Surreptitious Removal of Objects and Special Aspects of Deception for Women working examples and detailed hand drawn illustrations The Official CIA Manual of Trickery and Deception is a fascinating read into a world of wizardry and spycraft For example do you know how to use cars for transporting bodies cigarette papers for surreptitious notes fake coins to hide poisonous powder Read on and become an accessory to espionage **Safe Houses I Have Known** Steve Healey,2019-09-10 As a child during the height of the Cold

War Steve Healey learns that his father is a spy for the CIA Beneath the banality of everyday life the suburbs of Washington DC school and play his parents deteriorating marriage assumed names parallel lives and myriad Cold War menaces linger Drawing from CIA training manuals and pop culture references alike Healey s poetry is both intimate and claustrophobic In these poems the natural anxiety of childhood is compounded by the weight of both national and family secrets and Healey draws deep parallels between the shaky foundations of truth in his past and the paranoia and obfuscation that envelops our nation s present

[The Official Senate Report on CIA Torture](#) U.S. Senate Select Committee on Intelligence,2015-01-06 Now available to the public for the first time the Senate s landmark torture report delivers a damning indictment on CIA interrogation practices Finally declassified and released after five years in the making the Senate Intelligence Committee s report on the CIA s torture program which describes in excruciating detail what Obama has called harsh methods inconsistent with our values as a nation is now available to the American public citizens who have a right to know the truth Considered one of the most important government documents ever to be published the torture report compiles the Senate committee s findings of the CIA s program to detain and interrogate terrorist threats in the aftermath of the September 11 attacks from 2001 to 2006 during the Bush administration Among other controversial conclusions the report has found that the CIA s enhanced interrogation techniques were not effective in acquiring intelligence to avert terrorist threats The study also shows that the CIA misled the public Congress the Department of Justice and even the White House on the effectiveness and the scope and severity of their interrogation techniques The exhaustive and disturbing account also provides grisly accounts on horrific practices that occurred in CIA black sites prisoners experienced sleep deprivation in stressful positions for up to 180 hours being stripped and shackled hooded and dragged down a long corridor while being punched waterboarding and rectal feeding Based on six million CIA documents and requiring 40 million to complete the entire 6 000 page report still remains classified Only 525 pages of summary have been published with 7 percent of its content redacted and it is now at the disposal of American readers who have the opportunity to learn what occurred during this dark chapter in modern American history The Senate report delivers a scathing shocking and controversial judgment and gives us much to think about in terms of our longstanding position on freedom democracy dignity and human rights

A Question of Torture Alfred McCoy,2007-04-01 A startling expos of the CIA s development and spread of psychological torture from the Cold War to Abu Ghraib and beyond In this revelatory account of the CIA s secret fifty year effort to develop new forms of torture historian Alfred W McCoy uncovers the deep disturbing roots of recent scandals at Abu Ghraib and Guant namo Far from aberrations as the White House has claimed *A Question of Torture* shows that these abuses are the product of a long standing covert program of interrogation Developed at the cost of billions of dollars the CIA s method combined sensory deprivation and self inflicted pain to create a revolutionary psychological approach the first innovation in torture in centuries The simple techniques involving isolation hooding hours of standing extremes of hot and cold and manipulation of time

constitute an all out assault on the victim s senses destroying the basis of personal identity McCoy follows the years of research which he reveals compromised universities and the U S Army and the method s dissemination from Vietnam through Iran to Central America He traces how after 9 11 torture became Washington s weapon of choice in both the CIA s global prisons and in torture friendly countries to which detainees are dispatched Finally McCoy argues that information extracted by coercion is worthless making a case for the legal approach favored by the FBI Scrupulously documented and grippingly told *A Question of Torture* is a devastating indictment of inhumane practices that have spread throughout the intelligence system damaging American s laws military and international standing [CIA Lock Picking: Field Operative Training Manual](#) Central Agency,2012-11-19 *CIA Lock Picking Field Operative Training Manual* is a work by CIA now brought to you in this new edition of the timeless classic *Iraq and the Lessons of Vietnam* Lloyd C.
