We Love What We Hate Andrea McLean,2017-11-08 A bold and compelling journey of exploration in the nature and practices of people provoking an understanding of what motivates them to do and love what they do and why there is a reluctance to release those things that we hate but desire and pursue to our detriment It provides a reflection on the existence and importance of the integral parts of our make up of how they interact with each other and how to harmonize their co existence This reflective process is underpinned by traditional and contemporary theories principles and scriptures We Love What We Hate culminates in a Cross Roads of the tough decisions where we must finally choose what we should love and how we should love as procrastinating on the fence will only continue to frustrate us in an endless cycle of fleeting pleasure guilt and perpetual misery *When Someone You Love is Someone You Hate* Stephen Arterburn,Stoop,1991-09 This discerning book helps people recognize and resolve anger bitterness and disappointment with someone they love The authors demonstrate how these love hate relationships can dominate our lives and provides spiritual and emotional insights into how one can make peace with contradictory feelings toward a spouse parent or child **I Love You - I Hate You** Carlos G. Valles,1992-04-01 Through personal examples and anecdotes Valles casts a revealing light on the conflicting emotions innate in every relationship marriage family friendship and examines what steps can be taken to safeguard and nurture our relations with others I Love You I Hate You will transform the way we relate to others to ourselves even to God *The Thin Line Between Love and Hate* Michelle A. O'Connor,2007-11 Many times we are at a lost when we see acts of hatred There are times when we stop to wonder where it ever came from other times we just think that people were born hateful but I believe that hate is a choice It is within all of us to love all man and be at peace with all as much as it is possible but there comes a point a line when our experiences forces us to make a choice between love and hate I have seen many people cross the thin line from love to hate and I have seen the destruction I hope you will find your self with enough love that you will never cross the line
